

BRANDEIS STORES

Presenting the Latest Modes in
Novelty Skirts and Sweaters

It is entirely fitting and proper that one call attention to them at the same time, for they are both so bewitching in style, color and fabric that each enhances the loveliness of the other; and very striking are the costume effects one may introduce through the judicious combinations of bright colored sweaters and contrasting skirts.

Beautiful Contrasting Color Combinations

Who could help looking stunning for instance, in an outfit consisting of a black sweater and white skirt, tomato red, wren tan, pewter, gray, navy, bisque and firefly sweater shades with beautiful models in striped plain and plaid silk and soft wools cut circular style or pleated. Almost any silhouette one might desire is obtainable in the skirts. Fiber Silk Sweaters, 8.75. Pure Silk Sweaters, 26.75. Skirts, 11.95 to 29.00.

Grace and Youthfulness Is Expressed in the New

Spring Suits

Tricotine and Twill Cords head the list, but no less prominent and desirable this spring are smartly styled suits of Poirer Twills, Coverts, Tropicotex, Hairline Strip Tweeds and Wool Jerseys. The shorter type of jacket prevails. These suits embrace Etons, Mandarin Effects, semi-fitted and Russian affairs, set off with bright little vestees or dashing sashes.

Individuality, the Key Note to Every Suit

And though there is considerable diversity as to fabrics, line and ornamentation, every suit in this all inclusive showing boasts some individual claim to distinction. Novel collar treatments, flaring cuffed three-quarter sleeves, set in enlarged arm holes and circular skirts are some of the outstanding features; navy, tan, pewter, gray and black are the most wanted shades; sizes 34 to 46; prices \$49.00 to \$149.00.
