

Our Pets Go In for Theatrical Charades

"ROLLO'S

"THE

"THREE

"SALLY"

These quaint pictures are born of the wonderful patience and photographic skill of Harry W. Frees, of Oaks, Pa., and represent but six of over a hundred similar ones he has taken in the past few years. Mr. Frees's hobby is the picturing of household pets in quaint poses, and as to how well he has succeeded in this rather unusual field of endeavor, you may judge for yourself.
