Drawn for The Bre by McManus | Patronage Drive

**On Harding Starts** Office Is Besieged by Those Who Are Seeking

Appointments. Washington, March 8 .- President Harding encountered today his first big patronage drive since he entered the White House. During the morning his offices were besieged by members of congress and others, most of whom are understood to have made recommendations regard-

ing appointments.
One of the subjects to which President Harding is giving most thought is the membership of the shipping board, but Secretary Christian said today that any talk of definite selections for the board was purely speculation.

During the morning the callers at Mr. Harding's office included Senators Lodge of Massachusetts, of the foreign relations committee; Sterling of South Dakota, repub-licans; Fred Upham of Chicago. treasurer of the republican national committee, and Charles D. Hilles of New York, former republican

national chairman. After leaving the White House, Senator Lodge visited the state, war and navy building, where he conferred with Secretary Denby of the Naval department, and Henry P. Fletcher, under-secretary of state.

The position of a state revenue collector also would be created. Un-der this new bill, persons 18 years old or over may smoke. The old law

stipulated 16 years: The following taxes are set on cigarets: 1 mill on each cigaret weighing not more than three pounds one-half cent on each book of cigaret papers and 1 cent for each bunch of 50 cigaret tubes. Revenue stamps showing the number of cigarets in the package must be affixed. For violation of this clause a fine of not less than \$100, or more than \$300, or jail sentence of not more than six months imposed. Stocks of cigarets,
