#### Fifteen Generals in Line for High Place-Secretary to Consult Harding Before Decision.

Washington, March 29 .- Secretary good brains." Weeks set at rest rumors regarding the army's new chief-of-staff, by de- to do with porterhouse steak?" was claring no selection had been made and that he would not make even a tentative selection until he had con sulted President Harding

Mr. Weeks explained that under the law, only officers of, or above, the rank of major general whose names appear on the general staff of life and succeed with them. initial eligibility list may be chosen, At present, he said, only the following are eligible: General Pershing Dickman, Harbord, Morrison, Summerall and Wood. In addition most of the officers Secretary Weeks will in business at all. this week designate for recess appointments as major generals, will also be eligible.

The list sent to congress by forconfirmation, included Brigadier Generals McAndrew, Hines, Shanks, Cronkhite, Read. Bundy, Wright Muir, Menoher, Allen and Haan, Of the 20 officers eligible for chiefof-staff, a number are considered eliminated. General Pershing's high rank and position in the army are considered such as to make it un probable that he would be considered and Secretary Weeks has indicated that he would not renominate Gen-eral March. General Wood has an-nounced that after he returns from his trip to the Philippines he will reire, to become head of Pennsyl vania university. Brigadier Generals Bundy and Edwards would not e eligible, as their names do not

eave 15 names. The war secretary also announced that within two or three weeks he would make an announcement regarding the future duties of General Pershing.

appear on the initial general staff eligibility list. These eliminations

#### Four Men Are Injured In Balloon Explosion

Los Angeles, March 29.—An offi-cer and three men from the army balloon school at Ross field, Arcadia, were seriously burned by the explosion of an army balloon in Coyote Pass, about eight miles from Los Angeles.
The injured were Lieut, J. R. Sul-

livan and three enlisted men. They were members of a detail from Ross field sent to take back of the gang of eight border runto Arcadia, a balloon in which an ascension had been made by Lieut, check for \$6,500 when the transactorge E. Watts.

In the year 1893 I was attacked by Muscul-

In the year 1803 I was attacked by Muscular and Sub-Acute Rheuematism. I suffered as only those who are thus afflicted know for over three years. I tried remedy after remedy, but such relief as I obtained was only temporary. Finally, I found a treatment that cured me completely and such a pitiful condition has never returned. I have given it to a number who were terribly afflicted, even bedridden, some of them seventy to eighty years old, and the results were the same as in my own case.

I want every sufferer from any form of muscular and sub-acute (swelling at the joints) rheumatism, to try the great raise of my improved "Home Treatment" for its remarkable healing power. Don't send a cent; simply mail your name and aidress, and I will send it free to try. After you have used it, and it has reven itself to be that long-looked for means of getting rid of such forms of rheumatism, you may send the price of it. One Dollar, but understand I do not want your money unless you are perfectly actisfied to send it. Isn't that fair! Wive suffer any longer, when the lief is thus offered you free. Bon't delay. Write today.

# Philadelphia, Pa. Do you wear glasses? Are you a victim of eye strain or other eye weaknesses? If so, you will be glad togknow that according to Dr. Lewis there is real hope for you. Many whose eyes were failing say they have had their eyes restored through the principle of this wonderful free prescription. One man bays, after trying it: "I was almost blind, could not see to read at all. Now I can read everything without any glasses and my eyes do not water any more. At night they would pain dreadfully; now they feel fine all the time. It they sike a miracle to me." A lady who used it says: "The atmosphere seemed hary with or without glasses, but after using this prescription for fifteen days everything seems clear. I can even read fine print without glasses." It is believed that thousands who wear glasses can now discard them in a reasonable time and multitudes more will be able to strengthen their eyes so as to be spared the trouble and expense. ### If Ruptured Try This Free

Apply it to Any Rupture, Old or Recent, Large or Small and You are on the Road That Has Convinced Thousands.

### Sent Free to Prove This

Anyone ruptured, man, woman or child, should write at once to W. S. Rice, 576 Main St., Adams, N. Y., for a free trial or his wonderful stimulating application. Just put it on the rupture and the muscles begin to tighten; they begin to bind together so that the opening closes naturally and the need of a support or truss or appliance is then done away with. Don't neglect to send for this free trial. Even if your rupture doesn't bother you what is the use of wearing supports all your life? Why suffer this nuisance? Why run the risk of gangrene and such dangers from a small and innocent little rupture, the kind that has thrown thousands on the operating table? A host of men and women are daily running such risk just because their ruptures do not hurt nor prevent them from setting around. Write at once for this free trial, as it is certainly a wonderful thing and has aided in the cure of ruptures that were as big as a man's two fists. Try and write at once, using the coupon below.

Free for Rupture

. Rice, Inc., 576 Main St., Adams, N. Y. You may send me entirely free a Sample Treatment of your stimulating application for Rupture.
