

SPENDS NIGHT IN THE HUDSON. Just to test his invention, a new safety suit for use in case of shipwreck, plucky O. A. Youngren, of New York, spends the night in the icy waters of the Hudson at West Point. Two army sergeants watched over him during his lengthy experiment, which proved highly successful. Here's Brother Youngren enjoying breakfast and morning paper after his chilly overnight immersion.

Now is the Time to Get Rid of Those Ugly Spots
There's no longer the slightest need of feeling ashamed of your freckles, as Othine—double strength—is guaranteed to remove these homely spots.
Simply get an ounce of Othine—double strength—from any druggist and apply a little of it night and morning and you should soon see that even the worst freckles have begun to disappear, while the lighter ones have vanished entirely. It is seldom that more than an ounce is needed to completely clear the skin and gain a beautiful clear complexion.
Be sure to ask for the double strength Othine as this is sold under guarantee of money back if it fails to remove freckles.

GOODBYE TO THE TIN MILK CAN. Here's the latest scientific method of milk transportation—a hundred-cow-power glass-lined steel tank body for a motor truck. Result—labor saved in handling at the creamery and receiving station, which means cleaner milk for baby's bottle and dad's oatmeal.
