# France Would Fix Mrs. Leeds to Fight German War Debt

Plans for Liquidation of Obligations of All Nations Presented by Maryland Senator.

Philadelphia, April 4.-Plans for the liquidation of the external obligations of every nation was presented here last night by Senator France of Maryland before the American Academy of Political and Social Science. He termed unconditional cancellation

method of settlement or one embody-

ing these principles:
"The German indemnity would be fixed at the sum tentatively agreed upon at the Anglo-French eighth onference, \$15,000,000,000, Germany o receive credit for at least \$5,000,-000,000 for the cables and for the teritories in Africa and Oceania transferred to the allied and asso-

This method of liquidation would enable Germany at once to begin to purchase from England, France, Russia and the United States what she so desperately needs. The United States would then purchase from the allied and associated powers for at least \$7,000,000,0000 or possibly for the full amount of the debts owed to us, these cables and these territories in Africa and Oceania. This opera-tion would give us liquidation, not by cancellation, but by substitution of valuable assests for securities of doubtful value.
