This Leaves the Arms Free From Hairy Growth

(Toilet Talks)

A simple method for completely removing every trace of hair or fuzz is here given. This is painless and usually a single treatment will banish even stubborn growths. To remove hairs, make a thick paste with some powdered delatone and water, spread on hairy surface and after about two minutes rub off, wash the skin and the hairs are gone. This method will not mar the skin, but to avoid disappointment, be certain you get delatone.

Problems That Perplex

Answered by BEATRICE FAIRFAX

When Love Comes.

Dear Miss Fairfax: How can a girl know when Mr. Right comes along? What is love? How do you know the symptoms? Can a girl love a man and yet see his faults clearly?

S. R. G.

Love is not blind. But real love has a generous toleration of the faults of the beloved. It doesn't nag and peck—it tries to help. When Mr. Right comes along, you won't be asking my advice—deep in your heart you'll know. And love is a tender devotion which has always eluded phrase-makers and dictionaries. It has as many meanings as there are individuals in the world—but it ought to be made of understanding and companionship and respect, as well as of the great basic attraction which calls man to woman.

Perplexed: A girl of your tender years should be devoting more time to study and less to love affairs. You

are quite right in not allowing the young man to put his arms around you. Powder is not injurious but are you sure it improves your appearance?

Mickey: I would advise you to give the matter serious consideration. The young man does not seem to be in a position to marry. You are both too young. Why not wait a year or two.

B. G. C.: I am not able to give employment service. Am sorry to be unable to direct you to work. Have you tried the various employment offices in town?

Troubled: A selected diet, under the advice of a physician and exercise properly regulated are the best remedies for obesity.

BAD BREATH

Dr. Edwards' Olive Tablets Get at the Cause and Remove It

Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work.

People afflicted with bad breath find quick relief through Dr. Edwards' Olive Tablets. The pleasant, sugar-coated tablets are taken for bad breath by all who know them.

Dr. Edwards' Olive Tablets act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood and gently purifying the entire system. They do that which dangerous calomel does without any of the bad after effects.

All the benefits of nasty, sickening, gripping cathartics are derived from Dr. Edwards' Olive Tablets without gripping, pain or any disagreeable effects.

Dr. F. M. Edwards discovered the formula after seventeen years of practice among patients afflicted with bowel and liver complaint, with the attendant bad breath.

Olive Tablets are purely a vegetable compound mixed with olive oil; you will know them by their olive color. Take one or two every night for a week and note the effect. 15c and 50c.

Lame Back? Stiff? Achy?

The man who gets up in the morning all out of sorts—with lame back, stiff limbs, a dull "achy" head, better look out for himself—maybe his kidneys are to blame.

Naturally when the kidneys are deranged the blood is filled with poisonous waste matter, which settles in the feet, ankles and wrists.

As a remedy for those easily recognized symptoms of inflammation caused by uric acid—as scalding urine, backache and frequent urination, as well as sediment in the urine, or if uric acid in the blood has caused rheumatism, lumbago, sciatica, gout, it is simply wonderful how quickly An-uric acts.

Anuric (anti-uric acid) is a recent scientific discovery by Doctor Pierce of the Invalids' Hotel in Buffalo, N. Y. Send 10c there for a large trial package, or sold by druggists, 60c.
