

Supreme Court Commission Bill Killed in House

Lawyers and Administration Forces Defeated by Members Favoring Redistricting.

Lincoln, April 8.—(Special.)—Lawyers and state administration members of the lower house went down to the most disastrous defeat of the session today when the supreme court commission bill was killed by vote of 46 to 43.

Charges that by killing the commission and putting a heavy burden of work on the supreme court proper would be the only means of ever getting Nebraska judicial districts re-districted in compliance with the new constitution were made by Representatives Lynn, Snow and others fighting the bill.

Friends of the commission declared that if it were put out of business the supreme court would run months behind in its work and litigants and lawyers would suffer.

A bill recreating the commission was killed by the senate several weeks ago and a similar bill was killed in a standing committee of the lower house a short time later.

Lawyer Opposes Bill. There was one attorney in the lower house who refused to join forces with other members of his profession and fought the bill bitterly.

There was one attorney in the lower house who refused to join forces with other members of his profession and fought the bill bitterly. That was Representative Epperson of Clay, author of the redistricting bill, which was killed.

The final vote follows: For: Armstrong, Barbour, Beans, Bock, Byrum, Clizbe, Davis, Druesedow, Dysart, Foster, Franklin, Frantz, Frazier, Fould, Green, Hascall, Hoare, Jacobs, Jeary, Kendall, McFarland, McClellan, Mears, Medlar, Moseley, Murphy, Nutzman, Perkins, Randall, Rank, Reed, Rodman, Ruddy, Smith, Stuart, Thurman, Votaw, Wallace, Westerhoff, Wight, Williams, Wood, Yeiser.

Against: Anderson (Knox), Axtell, Beckmann, Behrens, Tetha, Bowman, Cole, Douglas, Downing, Epperson, Essam, Frost, Gilmore, Good, Goodrich, Griswold, Hakanson, Hamner, Hilliard, Hoffmeister, Johnson, Lauritsen, Lettich, Landy, Lynn, McKee, McLeod, Mellor, Miner, Morian, Nelson, Niewedde, Osterman, Sandquist, Snow, Sommerlad, Sprick, Strong, Thompson, Ullstrom, Vance, Webster, Wolfe, Young, Anderson (Speaker).

Lincoln, April 8.—(Special.)—House Bill No. 309, a compromised occupation tax bill, passed the lower house on third reading by a vote of 81 to 5. The bill provides a straight tax of 55 on all corporations with capital investment in Nebraska not to exceed \$10,000.

Lincoln, April 8.—(Special.)—The attempt to reduce butter fat per cent in ice cream from 14 to 10 per cent failed temporarily today when Senate Bill No. 384 was taken off the third reading calendar and re-committed to the committee for specific amendment offered by Representative Byrum of Franklin.

The amendment provides that 14 per cent butter fat ice cream shall be sold in Nebraska, but that ice cream manufactured in the state for consumption in neighboring states does not need to comply with the 14 per cent requirement.

Lincoln, Neb., April 8.—(Special.)—George Mansmell and "Tony" Petros of South Omaha, accompanied by a third party who was given a clean slate by the local courts as playing the part of an innocent bystander, were arrested by Policemen Jones, Petros, who had a pint on his person when arrested, was fined \$100 in police court, while Mansmell, owner of the Ford car in which the trio were traveling, and in which a quantity of liquor was found, was fined \$100 and had his car confiscated in county court.

Senate Delays Action On Bill to Condemn Property in Omaha

Lincoln, April 8.—(Special Telegram.)—The lower house of the legislature withheld final action on Senate File 100 today, awaiting an opinion from Attorney General Davis on the legality of the measure.

The bill provides for condemnation of certain property in the vicinity of Twenty-fourth and Dodge streets, Omaha. Owners of this property, it is charged, by refusal to sell are interfering with carrying out the plan of Mrs. Alice Joslyn to erect a \$5,000,000 art institution at the location.

Senate Passes Omaha Municipal Light Bill

Lincoln, April 8.—(Special.)—Senate File No. 249, the practical duplicate of House Roll No. 1, Omaha's municipal electric light bill, passed the senate today on third reading by a vote of 29 to 2. The bill now goes to the house committee on cities and towns.

Friends of the bill through the committee, the same hot fight which resulted in the killing of House Roll No. 1 in the lower house at the beginning of this session of the legislature will mark the closing days of the session.

House Sings as Search Made for Missing Solon

Sergeant-At-Arms Seeks for an Hour Absent Representative to Put Him on Record.

Lincoln, April 8.—(Special.)—For an hour this morning, members of the lower house sang patriotic songs while the sergeant-at-arms searched for Representative Theodore Osterman of Merrick to put him on record on Senate File No. 160, the American Legion language bill.

Osterman is looked upon as a democratic candidate for governor. The sergeant-at-arms found him in a physician's office and took him to the state house.

A like effort was made by the assistant sergeant-at-arms to put Representative Snow of Chadron on record. Snow is considered as a possible republican nominee for governor or for congress in the Sixth district.

This effort failed, however, because Representative Snow was in Omaha. When the bill went through the committee of the whole, however, Snow voted in favor of it. This bill provides a fine or imprisonment for teaching any language in public, private or parochial schools below the eighth grade other than pure English.
