Here's Fastest Human

This truly remarkable photograph shows the finish of the 100-yard dash California recently in which Charles Paddock, the University of Southern California sprinter, equalled the world's record of 9-3-5 seconds. Paddock is shown leaping in the air, literally hurling himself at the himself one of the greatest sprinters in the county, is shown at the left, his foot just touching the finish line. Paddock is probably the "fastest human" on earth, having broken the world's record for 220 yards and twice equalling the 100-yard record within one week.
