

BRANDEIS STORES

"I ENDEAVOR to dress sensibly and appropriately, and I buy the garment, not the Price Tag," said Miss Louise Larson, "Minneapolis Thrift Girl," who recently received a personal letter of congratulation from President Harding for setting the War Stamp record. This comprehensive remark represents the Brandeis Store theory of merchandising. Prices as low as they may possibly be made, Service that pleases and Quality that endures—these are the things that characterize Brandeis Stores merchandising policy.

Saturday Is—Corset Day

For Misses and Growing Girls

Let the First Corset Be a Warner's

The confidence that women have had in Warner's Rust-Proof Corsets for nearly fifty years is the reason that they select a Warner's for their daughters.

And a Warner's Rust-Proof always justifies that confidence by being a healthful, comfortable, sensible corset.

In either back-lace or front-lace it will support the youthful figure properly and give it trim, graceful contours.

We make a specialty of selecting misses' corsets with more than usual care. Bring your daughters in tomorrow and let our experienced corsetiers advise her about her corset.
