

Anti-Picketing Measure Signed By Gov. McKelvie

Executive Refuses Veto After Hearing Arguments by Labor Representatives and Employers.

Lincoln, April 25.—(Special.)—Governor McKelvie today signed the Randall-Hascall anti-picketing bill. After arguments by representatives of labor and employers in his office he refused to veto the measure. Tales of bloodshed and violence in Omaha strikes were recounted by Fred Knapp, president of the Omaha Box company, and Alvin Johnson, representing the Employers' association of Omaha. Knapp told the governor that he, himself, drove trucks during two strikes and was pulled off the trucks and beaten in Council Bluffs by strikers. Johnson described the horrors of the coal and steel strikes and declared that picketing had become an abuse wielded by the radicals in organized labor which the conservative element wished wiped out. Senator Albert McGowan of Grand Island, Frank Coffey of Lincoln, F. A. Kennedy, state labor commissioner, and Harry Ford of Falls City spoke in behalf of organized labor. They admitted there had been "a little rough play by the boys," but that picketing as a whole was peaceful and the chief instrument of labor against the corporations. Governor McKelvie said that he, at the opening of the session of the legislature, didn't think such legislation was needed and had never pushed an anti-picketing bill, but he didn't think it was within his province to veto a bill which had such thorough consideration by both houses and had been passed by both of them.

Howell Fails to Alter Bill for Waterway Law

Lincoln, April 25.—(Special.)—The senate committee on irrigation refused today to comply with the request of R. Beecher Howell, republican national committeeman, to keep present laws on waterway projects on the statute books. House Bill No. 2, the new waterway projects bill, will supplant all existing statutes under the committee recommendation. The committee inserted an amendment which provides that the provisions of House Roll No. 2 cannot conflict with filings on waterway projects now under way in the event that a year from now those interested in these projects can show the state engineer that progress has been made.

Solon Injured When Automobiles Collide

Lincoln, April 25.—(Special.)—Representative Grant Mears sustained two cracked ribs and severe bruises here yesterday afternoon when an automobile in which he and Mrs. Mears were riding was hit by another machine. The accident occurred at Twelfth and G streets. The other car, driven by a woman, struck the Mears' machine squarely, but did not turn it over. Both cars were moving slowly. The driver of the other machine said she was blinded by the sun. Mr. Mears was able to be around today in spite of his injuries. Mrs. Mears escaped injuries beyond a few minor bruises.

Movie Censorship Bill Seems Doomed to Die

Lincoln, April 25.—(Special Telegram.)—House Roll No. 113, the motion picture regulation bill, struck rocks tonight when the house, by a vote of 57 to 34, refused to accept it. Two hours earlier the senate accepted the bill but the action of the house will send it to another conference committee with a strong probability that before the committee agrees the legislature will adjourn.

House Accepts Measure For Changed Primary Law

Lincoln, April 25.—(Special Telegram.)—The house accepted the Brown primary bill which provides for a different method of choosing delegates to the state and national party conventions. It refused to concur in senate amendments to the Douglas primary bill, which calls for party nomination of two candidates, the names of the nominees to be placed on primary ballots. The refusal to concur means another conference report on the bill.

House Fails to Sanction Boost in Printing Fund

Lincoln, April 25.—(Special Telegram.)—The lower house refused today to countenance a boost of \$30,000 in a proposed revolving fund to get Nebraska statutes printed and revised. The original bill called for \$40,000 and the senate raised it \$70,000. A new conference committee was appointed.

Man Attempts Suicide at Beatrice by Taking Poison

Beatrice, Neb., April 25.—(Special.)—Ruby Dubowski, who came to Beatrice a few days ago from Cleveland, O., attempted suicide by taking poison. He was found lying unconscious on Garfield street, and was removed to a hospital. City Physician Roe, who attended him, expressed the belief that he will recover. His mouth was badly burned by the drug. In his coat pocket was found a letter from his wife, Bessie Dubowski, begging him to return and quit worrying about "a burned store. Dubowski is about 40 years old.

Found Dead on Farm.

Beatrice, Neb., April 25.—(Special.)—John Miller, an old resident of the Clatonia vicinity, was found dead in an out building on his farm. Dr. Deardorf, who was called, decided that death was due to hemorrhage. No inquest was held.

Former Creighton Medical Dean Dies

Dr. A. L. Muirhead.

Dr. A. L. Muirhead, until two years ago dean of the medical college of Creighton university, died Sunday night after a long illness. He was bedridden for the last two months. Dr. Muirhead came to Omaha from Canada 20 years ago and was connected with Creighton for 17 years. Funeral services will be held at 2 o'clock today from the residence at 7717 North Thirty-ninth street. Mrs. Muirhead, four children, Milton, Gavin, Ruth and Betty; a sister, Mrs. Stutz of Council Bluffs, and a brother, Alex, in Hemmingford, Neb., are surviving relatives. Dr. Muirhead was a graduate of the University of Michigan at Ann Arbor. He was 55 years old.

Woman Dies Day Before Son's Body Returned From France

Belton, Tex., April 25.—Mrs. Wilton A. Wade died of heart disease Sunday shortly before the remains of her son, Clarence, who was killed in action in France, reached here for reinterment. She requested that she be laid to rest beside the body of her son. A double funeral will be held Tuesday.

Appropriation Bill Hits Snag In Both Houses

Omission of Ft. Crook Road And Other Items Causes Solons to Revolt; New Committee Named.

Lincoln, April 25.—(Special Telegram.)—The house and senate revolted today against the conference committee report on the \$25,000,000 appropriation bill, discharged the old conference committee and appointed a new one which went to work immediately in a desperate effort to reach an agreement before morning to insure consideration of the big bill tomorrow. The senate refused by a vote of 20 to 4, to accept the conference report. The house voted, 73 to 17, against the report. Failure of the committee to put in an appropriation of \$125,000 for the Fort Crook road forced the 12 members of the Douglas county delegation in the lower house and the five members in the senate to vote as a unit against concurrence. There were numerous other "sore spots" from other parts of the state relative to the following reductions in appropriations: Reducing specified expenditure for hospital at Norfolk from \$35,000 to \$25,000; the state home for women at York from \$40,000 to \$3,000; the soldiers' and sailors' home at Grand Island from \$150,000 to \$100,000. At the same time the report included an item of \$350,000 for a memorial gymnasium. A like sum must be raised by popular subscription before any of the appropriation may be spent. "Think of it," shouted Representative McClellan, "refuse \$50,000 for sick and crippled men who fought for us and turn around and appropriate \$350,000 for a gymnasium here in Lincoln." The personnel of the new conference committee follows: House—Lefwich of Howard, Wallace of Harlan, Reed of Logan; senate—Saunders of Douglas, Warner of Lancaster, Reed of Hamilton.

British Mine Owners and Miners Hold Conference

London, April 25.—(By the Associated Press)—Renewed efforts to find a settlement of the dispute between the coal miners and the mine owners were made this morning when representatives of the owners and the executive officers of the miners federation met in joint conference. Shortly after noon the meeting adjourned until tomorrow. The owners submitted detailed proposals and it is understood the

possibilities of a temporary settlement for three months, after which a permanent settlement would become operative, this embracing a standard wage and a standard profit, were discussed.

Cream Prices Decline.

Norfolk, Neb., April 25.—(Special Telegram.)—Cream prices in north Nebraska took a sensational drop Monday, falling from 42 cents to 30 and 33 cents, due to heavy production.

ZIMMAN

The name, Harry B. Zimman, is well written upon the record of Omaha's progress in civic affairs for many years. It stands for experience, efficiency and courtesy—the three requisites of GOOD GOVERNMENT. It stands for CONFIDENCE, the basis of GOOD GOVERNMENT. The people have confidence in him, because they believe in him and know he is capable. His record—a wonderful one—speaks for itself.

He has been a champion of municipal ownership for years. He was the leader in the fight for city ownership of the water works. He fought for lower street car fares, universal transfers, school children tickets and lower electric light rates. Remember the "gas fight?" He led the battle for "dollar gas." He fought for woman suffrage in Nebraska. He is the author of the occupation tax, which has brought more than \$2,000,000 from the coffers of the corporations to the city's treasury. He settled many strikes, acting for both the laboring men and their employers. His civic record is a history of battles for the interests of the people. DON'T FORGET ZIMMAN When You Vote May 3

Do This Tonight

Watch the quick effects—see the change in a week

Present this coupon to your dealer. He will give you a delightful ten-day test of a new teeth-cleaning method which millions are employing. Watch the effects, quick, pleasant and conspicuous. Watch the new luster that comes in ten days let your mirror tell you the way to pretty teeth. Leading dentists everywhere advise this method now. You will see and feel the results when you make this test.

Now you can fight it

Dental science, after long research, has found ways to fight that film. Able authorities have proved them effective. Now leading dentists everywhere advise their daily use. The methods are embodied in Pepsodent, the new-day, scientific tooth paste. Millions of people now use it, and the use is fast spreading the world over. That is the dentifrice we urge you to try. Your druggist has a free tube for you. Enjoy its effects for ten days, then judge them for yourself.

Also starch and acids

Modern diet makes other things essential. And those essentials are embodied in this scientific tooth paste. Each use of Pepsodent multiplies the salivary flow. That is Nature's great tooth-protecting agent. It multiplies the starch digestant in the saliva. That is there to digest starch deposits which may otherwise form acids. It multiplies the alkalinity of the saliva. That is Nature's agent for neutralizing acids which attack the teeth.

The New-Day Dentifrice

Endorsed by authorities, advised by leading dentists everywhere, and supplied by all druggists in the large tubes.

Sherman & McConnell's 5 Drug Stores, Omaha, Neb.

Taffee Drug Company, Co. Bluffs, Iowa.

Free
At your store this week
This 10-Day Tube of Pepsodent. Simply present the coupon. This test will prove a delightful revelation. It will show you the way which millions have found to whiter, cleaner, safer teeth. This offer is for one week only. It means much to you and yours. Act now.

An ideal diet would do these same things, but few people get it. So dental science now needs the tooth paste to bring these desired effects. Pepsodent will daily bring you five great benefits which the old ways did not bring. Together they mean a new era in teeth cleaning.

Men's tobacco stains
Men who smoke stain their film-coats with tobacco. The use of Pepsodent brings them conspicuous effects. Food stains with women make these film-coats dingy. The glistening teeth seen everywhere now show how Pepsodent removes them. But children need Pepsodent most. Their teeth are most subject to film and starch attacks. Very few escape them. Dentists advise that they use Pepsodent from the time the first tooth appears.

Watch teeth whiten
The results of Pepsodent are quickly seen and felt. No user can long doubt them. A book we send explains the reasons for them. A very short test will convince you that this new way is essential. Present the coupon for a 10-Day Tube. Note how clean the teeth feel after using. Mark the absence of the viscous film. See how teeth whiten as the film-coats disappear. Watch the other good effects. Then you will see and feel and know that Pepsodent is necessary. You will realize that old methods were not right. And this discovery may bring life-long benefits both to you and yours. Present this coupon to your dealer this week. Cut it out now.

BRANDEIS STORES
