Members of Nebraska Delegation Say Protest Against Kinsler As District Attorney Ungrounded.

By E. C. SNYDER.

ngton Correspondent Omaha Bee. Washington, D. C., April 30,-(Special Telegram.) - The protest ed with Attorney General Daugherty by the representative of the Anti-Saloon league in Nebraska, Rev. F. A. High, against the nomination of J. C. Kinsler of Omaha to be United States district attorney for the district of Nebraska, and enworsed by Wayne B. Wheeler, gen eral counsel of the league with headquarters in this city, has created con siderable feeling among members of the Nebraska delegation. They go so far as to say that the protest is wholly unwarranted and that if occasion demands the delegation wil wait upon the attorney general and if need be ask the president to support their recommendation.

Received Unanimous Vote.

Mr. Kinsler, they say, received the unanimous vote of the delegation and, under the unit rule which was adopted before any action was taken looking to the endorsement of candidates for federal positions, the recognition of a protest by the Nebraska members would be tantamount to a revocation of the rule and thereby destroy its usefulness.

In this connection some of the members of the delegation are outspoken in their criticism of an Omaha telegram to a Lincoln morning newspaper of recent date wherein it is asserted that, among others, Con-gressman McLaughlin of the Fourth district, during the balloting for can-didates for prohibition enforcement officer, voted for U. S. Rohrer and helped to put him across

Favored York Man.

The facts are that Mr. McLaugh lin made a most forceful and appealing speech to the delegation in favor of Mr. Sandal', his neighbor from York, Neb., Just before the ballot for prohibtion enforcement director was about to be taken and that he cast his vote for Mr. Sandall on every one of the ballots taken. While the delegation was pledged to secrecy as to the number of ballots taken in each instance and the individual preference disclosed by the ballots, the bridle was thrown off today to permit of the statement with reference to Mr. McLaughlin.
