U.S. Asked to Send Envoy

Washington, May 5,-Sir Auck-land Geddes, British ambassador, arried to the State department tothe formal invitation to the United States from the allied powers to be represented on the supreme council, the reparations commission and the council of ambassadors. The invitation was cabled from London

London, May 5.- The allied ultimatum issued to Germany today summons it to reply categorically by May 12 at the latest whether it will perform its unfulfilled obligations under the tracty of Versailles, primarily as to the payment of repara-

tions to the allied powers.
Should Germany fail to comply the allies give notice that they will proceed on May 12 with the occupation of the Ruhr valley, "and to un

dertake all other military and naval measures. The terms for Germany's payment of its debt to the allies are to be given it by the allied reparations commission by tomorrow.

Ultimatum Delivered. Meanwhile the allies, the ultimatum states, are to continue with a!! necessary preliminaries for the occupation of the Ruhr.

The ultimatum was handed to Dr. Sthamer, the German ambassador in London, this morning. It reads. after reciting Germany's unfulfilled treaty obligations with regard to disarmament, reparations, the trial of war criminals and other matters, in substance as follows:

The allied powers, taking note of the fact that despite the successive concessions made by the allies since the signature of the treaty of Versailles, and despite the warnings and sanctions agreed upon at Spa and Paris, as well as of the sanctions announced at London and since applied, the German government is still in default in fulfillment of the obligations incumbent upon it under the terms of the treaty of Versalles

as regards: "First-Disarmament. Payment Due May 1.

"Second-The payment due May 1921, under article 235 of the treaty, which the reparations commission already has called upon it to make at this date.
