Women's Shoes

Not a Shoe Sale—but a Sale of Shoes

WHICH MEANS—These shoes were not bought for a sale, not bought to sell at a sale price. On the contrary, they were secured from some of America's best makers on account of their character and style to please an exacting and critical group of customers. They were priced up to \$15.00. Size assortments becoming broken, we have grouped several models of

Low Shoes and Slippers \$8.95 In black, tan, gray and brown for Saturday selling at, per pair,
