

### Eleven Douglas County Men Seek Prison Release

#### Maurice Katleman and Red Neal Parole Application to Be Heard by Board May 17.

Lincoln, May 6.—(Special).—Maurice Katleman, sent to the penitentiary from Omaha for abetting automobile stealing about a year ago, is one of 11 Douglas county applicants to the State Board of Pardons for pardons or paroles or commutation of sentences. These cases will be heard here May 17 together with 20 cases from other parts of the state.

#### Back in Prison.

Neal is back in the penitentiary after a leave of absence of two weeks to visit his sick mother. Katleman is also back after a three days' leave granted him to visit his sick son.

#### Frank O. Green, sentenced to life imprisonment for murder in Omaha, January 29, 1914, is seeking a commutation of sentence.

#### Short-Termers Apply.

These other Douglas county convicts are seeking paroles or pardons:

- Charles Stevens, breaking and entering, one to 10 years.
- Charles M. Brown, robbery, three to 15 years.
- Martin Cunningham, robbery, three to 15 years.
- John J. Reynolds, receiving stolen automobile, one to 10 years.
- John McCarthy, breaking and entering, one to 10 years.
- Harry Miller, forgery, one to 20 years.
- Raymond Hawn, grand larceny, one to seven years.
- Clyde Dewey, writing checks without funds in bank, one to 15 years.
- Ernest S. Kennison, who has served 13 years of a 23-year sentence for the murder of Sam D. Cox, newspaper publisher at Minatare, Neb., will appear before the board for a commutation of parole. Cox was attacked and killed by Kennison on the street at Minatare.

#### Retrial Ordered in Case Of Poor Telephone Service

Lincoln, May 6.—(Special).—The supreme court today ordered the Boone county district court to rehear a case involving alleged poor telephone service causing the death of two horses belonging to Oscar Peterson, Boone county farmer. Peterson demanded \$300 from the Monroe Telephone company for the loss of his horses. Peterson alleges that he tried to get a veterinarian at Albion at 8 in the morning and failed to get his call in although testimony showed the veterinarian was in his office all morning. The Boone county court sustained the telephone company's demurrer.

#### Two Men Fined at Sutton For Operating Still

Sutton, Neb., May 6.—(Special).—Stan Wensloff and J. Reyger were arrested by state agents charged with operating a still and fined \$100. John Cook, on whose place the still was being operated, turned state's evidence. A large quantity of rye, barley and corn, 85 gallons of sour mash and 30 gallons of whisky ready to bottle were confiscated. The still has been operated for over a year, testimony showed.

#### Duroc-Jersey Breeders Plan Fall Stock Show at Chadron

Hay Springs, Neb., May 6.—(Special).—Duroc Jersey breeders of northwest Nebraska met here and organized the Northwestern Duroc Breeders association. The matter of a show, to be held this fall, was discussed at some length and 20 men agreed to enter their herds in case such a show should be held. This show probably will be held at Chadron. Four hundred dollars in premium money has been appropriated.

#### Four in One Family Found To Be Mentally Deficient

Beatrice, Neb., April 6.—(Special).—Mrs. Carl LaPoir, old resident of Clatonia, was ordered sent to the state hospital for insane and her three children, who have been found of low mentality, will be committed to the institution for feeble-minded youth at this place.

#### Edison Loses Fight for Sunday Base Ball Issue

Edison, Neb., May 6.—(Special).—Sunday base ball, a hard-fought issue, was defeated here for the third time. In 1919-20 it was an issue of the city election. This spring the precinct petitioned to bring outside the city limits, but it was ruled out by action of the county board of commissioners.

#### Gage County Test Oil Well Reported Down 275 Feet

Beatrice, Neb., May 6.—(Special).—The test oil well on the Hamilton farm east of Blue Springs was reported down 275 feet. Work was stopped a few days last week by the breaking of the stem, but drilling has been again resumed.

#### Bakeries at Beatrice Reduce Price of Bread

Beatrice, Neb., May 6.—(Special).—Two bakery firms in this city announced a drop of 1 cent per loaf in the wholesale and retail price of bread, and lower prices may follow later. The change is due, it is said, to the falling wheat prices.

#### Heavy Stone Blast Superior, Neb., May 6.—Six tons of dynamite were set off at one time here to break up rock at the quarry of the cement company. The blast was heard for several miles.

### Compensation Given Omaha Man for Injury

Lincoln, May 6.—(Special).—Joseph G. McNichols, 63, 3331 Webster street, Omaha, crippled for the remainder of his life, it is alleged, as a result of the fracture of both wrists while employed by Swift & Company, was awarded the following today by Frank C. Kennedy, compensation commissioner: Total disability compensation of \$12 a week for three years. Life disability compensation for remainder of his life after the three years of \$9 a week. Money to pay surgeon and hospital bills.

### U.S. Milling of Canadian Wheat Is New Proposal

#### Millers Would Be Allowed to Import Any Amount Provided Equal Amount Then Be Exported.

Minneapolis, Minn., May 6.—Wheat producers, farm organizations, county agents, University of Minnesota authorities and business men throughout the northwest have been requested to give consideration to a proposal for the milling of Canadian wheat in bond by United States mills by James Ford Bell, vice president of a local flour milling company. In a letter to Lotus D. Coffman, president of the University of Minnesota, made public today, Mr. Bell, writing in regard to a permanent tariff measure, says that the prices paid to the producers for his wheat and the price paid by the consumer for his flour, will be determined to a large extent by the treatment of Canadian wheat. The proposal is that United States millers be permitted to import from Canada any amount of wheat for manufacture into flour, providing that for every 100 pounds so imported, they export 100 pounds of flour. Under this plan the millers would be bonded by the secretary of the treasury while importing the Canadian wheat, such bonds to be cancelled when they have exported flour equal in weight to the wheat imported.

#### Work Will Be Resumed on \$60,000 Ogallala Church

Ogallala, Neb., May 6.—(Special).—The directors of the Congregational church of Ogallala expect to have work started again this spring on the new \$60,000 Weldon Memorial church. Work was suspended last fall. The brick work is all finished, being of a light cream color. The trimmings are of a white stone. It will be quite complete in that it will contain a large banquet hall, reading room, gymnasium, separate Sunday school rooms and other interesting features.

### Price Decline Permits More Road Building

#### Additional 100 Miles of Highway Can Be Constructed From Present Appropriation.

Lincoln, May 6.—(Special).—The reduction of 30 and 35 per cent in road building materials announced recently by George Johnson, secretary of the department of public works, will mean the building of 100 additional miles of state roads in Nebraska this summer, according to figures compiled here. With the opening of bids and the discovery of the big decreases in materials, it was estimated that 30 per cent of the money on hand would be left after present contracts are awarded. At present road building material prices, this 30 per cent means 100 more miles of roads. The business of awarding contracts for 400 miles of roads is under way at the state house. The senate chamber has been filled with contractors all week listening to reading of bids and the awarding of contracts. Probably after the completion of

this letting, county commissioners and officers of the state department of public works will sit down and figure how much money they have left. Then, there will be advertisements for bids again, contracts

awarded and probably before winter opens 100 more miles of good roads than Nebraska was figuring on will be built. Bee Want Ade Produce Results.

### Grain Growers Will Delay Campaign for New Members

Lincoln, Neb., May 6.—(Special).—Officials of the United States Grain Growers' Inc., announce that be-

cause of the organization work which remains to be done the campaign for new members would not start in Nebraska for at least a month and that due publicity of this campaign would be given in advance in the press. This

warning is given the farmers of the state in order that they may beware of fraudulent solicitors, should such solicitors appear. Of German invention is a coin in a slot machine to summon taxicabs.
