

American Legion Plans Big Parade On Memorial Day

Elks and Members of Other Patriotic Organizations Will Join Veterans in Celebration.

Plans for a gigantic parade on Memorial day in which the G. A. R., Red Cross, American Legion, Spanish-American War Veterans' association, and the Elks will participate were made at an executive meeting of the American Legion held yesterday at the Hotel Castle.

Walter Byrne, commander of Douglas county chapter, presided. According to suggestions offered by attending members, the parade is to be a replica of the patriotic parade held on armistice day.

The patriotic organizations will be represented. The parade will be held in the forenoon.

Mans for fostering the concert of Mary Jordan at the Brandeis theater on the night of May 24, were also discussed at the meeting. The noted singer will be given a reception by the members of the American Legion in the council chamber of the city hall on the night of May 20.

Major C. C. Crook, judge advocate at Fort Crook, and husband of the noted concert artist, is co-operating with the executive committee of the American Legion in regard to the concert.

Miss Jordan has volunteered to sing in Omaha for the Memorial day services to be held by various patriotic organizations in the municipal auditorium, Major Cresson said yesterday.

Bellevue Lease May Block Opening of Vocational School

Leasing of Bellevue college buildings to the government as a vocational school and hospital for wounded soldiers may be blocked by 27 warrant officers and clerks employed at Fort Crook who have a lease on the dining hall of the institution which does not expire until October 11.

These men would lose approximately \$10,913 by giving up their lease now, according to A. C. Yambert.

"Board and room at the hall costs us only \$40 a month, but it would be \$140 a month in Omaha," said he. "Besides there would be expense and loss of time if we went back and forth by street car, and our laundry would cost us at least \$7 a month each in Omaha, whereas we don't pay anything extra for it in Bellevue."

Pretty Girl Forger Is Released on Parole

JULIA NAPIER

Fleeting guilty to a charge of forgery when assured that she would be paroled yesterday by District Judge Troup to Adult Probation Officer O'Brien.

The judge also gave her permission to leave the state. She left last night with her sister, Mrs. Raymond Fisher, for the latter's home in Buffalo, N. Y.

Miss Napier was arrested January 28, charged with forging a check for \$15 on her former employer, M. P. McKinney, head of the All-American Chemical company.

She also figured in a dispute between that company and the American State bank as to whether or not \$861.99 had been deposited. Julia alleged she took the money appear on the passbook. This case was settled out of court, as also was a suit Julia brought against the bank's officers for \$50,000 for damage to her reputation through the statement she had not deposited the money.

Finds Questionable Names On Referendum Petition

Election Commissioner Moorhead will return to the city clerk the referendum petition against the new electric light rates filed last week by R. B. Howell, Mr. Moorhead says that the petition contains many names apparently not signed by the owners thereof and that many of the 2,913 names on the petition do not appear on the registration records.

Nebraska City Man Named President Of Commerce Body

Members Express Willingness To Co-Operate With Farm Organizations to Promote Agriculture.

S. P. Cressap, Nebraska City, was elected president of the Nebraska State Chamber of Commerce at the election of officers held during the annual business meeting at the Omaha Chamber of Commerce Wednesday. Other officers elected were Dan Morris, Kearney, first vice president, and Joseph Barker, Omaha, treasurer.

The board of directors will meet Monday and elect a secretary. Members declared, following the meeting, that in all probabilities, H. E. Moss, present secretary, would be re-elected.

The following men were elected to the board of directors: R. D. Gaston, Hastings; Joseph Barker, Omaha; J. A. Ross, Long Pine; A. R. Miller, Columbus; Cliff Brooks, Fairbury; S. P. Cressap, Nebraska City; W. H. Blakeman, Norfolk; Randall K. Brown, Omaha; Paul Harrington, North Platte; E. P. Walter, Broken Bow; J. Cass Cornell, Lincoln; Dan Morris, Kearney; C. D. Man, Fremont; G. W. Shreck, York, and J. D. Bushnell, Lincoln.

Annual reports were submitted and business matters discussed. The members present expressed themselves as being willing to co-operate with various farm organizations in Nebraska to promote agriculture and to campaign for more members to the state organization.

Rotarian Spirit Manifested In Attendance Campaign

Intense rivalry between the "Purple" and "Gold" divisions of the Rotary club is being evinced in the attendance campaign which is being carried on by the May group.

The membership has been divided alphabetically and the idea is to determine which group has the better attendance. Almost a full membership was in attendance at the meeting at the Rome hotel Wednesday noon.

Lieut. Col. A. C. Bowden, Chicago, Talked to the Members on "Cement and Concrete," Giving a Scientific Description of the Manufacture and Use of These Materials.

Woman Assists Man In Looting Automobiles

C. O. Nelson, coming out of the Elks Circus Tuesday night, saw a man stripping his automobile and handing the loot to a woman who sat at the wheel of a car with the motor going. When Nelson shouted for a policeman, the man leaped in the car, the woman threw in the clutch and stepped on the accelerator and they sped away. They are believed to be members of a gang which has been stealing cushions, spare tires, motometers, speedometers, etc., from cars on the streets.

Another Public Welfare Official Resigns Position

The Board of Public Welfare accepted the resignation of Bessie Culver who has had charge of the domestic relations department. Her resignation was the third affecting this department.

Dr. Jennie Callias and Mrs. E. B. Towl, members of the board, resigned last week.

To Omaha Organizations

We take pleasure in announcing that the

Burgess-Nash Auditorium

is now open to the public free of charge.

It is located on the fifth floor of the Burgess-Nash Company new building and is one of the most beautiful auditoriums in this part of the country.

As many organizations and teachers are engaging their dates far in advance, it is necessary that those who care to make use of the auditorium call the Burgess-Nash advertising department at once, so that they may secure the proper datings.

We reserve the right to use our own discrimination in placing the auditorium at the disposal of the public.

The NEW LIGHT-SIX now holds the five most important automobile road records on the Pacific Coast, a remarkable feature being that all the honors were won by the same car, a stock touring car, within ten weeks

- Yosemite National Park.** A Studebaker LIGHT-SIX, piloted by Hart L. Weaver and carrying a crew of five men from the Chester N. Weaver Company, was the first automobile to reach the Yosemite National Park over any one of the three snow covered roads under its own power this year. The car went over the narrow and dangerous Coulterville road, bucking snow as deep as ten feet in some places, arriving in Yosemite Valley, January 16.
- Round Trip Record Between San Francisco and Los Angeles.** On February 2 the same car, driven by Hart L. Weaver and James F. Gurley of the Chester N. Weaver Company, established a new round trip record between San Francisco and Los Angeles, a distance of 864.8 miles, in the sensational time of 21 hours and 23 minutes.
- Coast Route Record from San Francisco to Los Angeles.** On the round trip record of February 2 the Studebaker LIGHT-SIX lowered the coast route record from San Francisco to Los Angeles by 2 hours, 35 minutes and 20 seconds. The former record was 12 hours, 47 minutes and 50 seconds, the time of the Studebaker LIGHT-SIX being 10 hours, 12 minutes and 30 seconds for the distance of 453.7 miles. The pilots were Hart L. Weaver and James F. Gurley.
- Valley Route Record Between Los Angeles and San Francisco.** On February 24 the Studebaker LIGHT-SIX smashed the valley route record between Los Angeles and San Francisco, running the distance of 411.1 miles in the remarkable time of 9 hours, 15 minutes and 50 seconds. This record was made all the more remarkable on account of the car having to go through a dense fog a distance of more than 100 miles between Tulare and Merced. The pilots were Hart L. Weaver and James F. Gurley.
- Los Angeles—Phoenix Record.** On the morning of March 23 the LIGHT-SIX left Los Angeles in an attempt to lower the fifth and only remaining record of consequence on the Pacific Coast. The 422 miles of desert trail from Los Angeles to Phoenix were made in 13 hours 16 minutes, and 2 hours 28 minutes were taken from the best previous automobile record. The railroad time is 14 hours 20 minutes, or 1 hour 4 minutes slower than the record established by the LIGHT-SIX.

This is a Studebaker Year
