

### Divorce Sought By "Toots" Young, Once Stage Star

Alleges That Husband, Son of Late U. P. Auditor, Compelled Her to Work For Living.

David L. Young, 45, son of Mrs. Erasmus Young and of the late Erasmus Young, Union Pacific auditor, was sued for divorce in district court yesterday by "Toots" Young, 25, former vaudeville artist playing the eastern circuits.

Mr. Young lives with his mother in a big home at 3172 Dodge street. The petition states that in spite of her husband's large income she has been compelled to work for her living.

"Toots" Young had filed suit for divorce 18 months ago, but allowed it to lapse when she moved to Chicago.

In the former suit, the young bride charged that Mrs. Young waged a persistent campaign to separate her son from his bride. She also alleged that David threatened to kill her, and that, in an effort to get rid of her, he took her to St. Joseph in April, 1919, where, she charged, he abandoned her.

Mrs. Young admitted she asked her son's wife to leave the house. "She was always nagging me and asking David for money and smoking cigarettes," Mr. Young, senior, said. "Toots" always attracted attention by her looks and her vivacity. At a trial in police court when she had her husband arrested on a nonsupport charge, she exclaimed, displaying shapely limbs:

"Look at them, judge, they're the only pair I've got," (referring, of course, to the silken hose that were full of holes.)

Without moving the base a new frame for photographs permits them to be turned to the angle at which they receive the best lighting effect.

### City Asked to Do Own Tram Probe

Corporation Counsel Recommends Commissioners Make Independent Valuation.

The Omaha & Council Bluffs Street Railway company faces a deficit of \$659,490.36 to yield 8 per cent on the valuation of the company's holdings during 1920, according to Corporation Counsel W. C. Lambert's interpretation of the physical valuation report.

Recommendation was made to the city council yesterday by the corporation counsel that the city should make an independent physical valuation, similar to one recently made in the electric light and power rate case.

This will fall to the new administration when it takes charge next week. In making application for an increase in rate the street railway company let a copy of the purported valuation of the physical property with Corporation Counsel Lambert.

"This is the beginning of the last step in proceedings instituted in May, 1918, before the State Railway commission for both emergency and permanent rates," Mr. Lambert said.

### Public Welfare Board Will Not Be Abolished, Prediction of Zimman

That the new city administration will not abolish the Public Welfare board is the belief expressed by B. Zimman, who was re-elected city commissioner.

"This board may be made an agency of usefulness in our city," Mr. Zimman said, "and it is my opinion that it will not be abolished."

It is understood that if the welfare board is retained, it will be composed only of men. Dr. Jennie Callias and Mrs. E. B. Towl, women members of the board, resigned a few days after the recent election.

### Tells Judge to Give Wife All Property

"Give her all, judge, so I can have peace of mind," exclaimed Charles Ude in district court yesterday when Judge Sears entered an order in the settlement of the divorce granted Maud Bessie Ude a few weeks ago.

Mr. Ude's face twitched with nervousness. The divorce was started after Mr. and Mrs. Ude had built up the Omaha Auto Top and Trimming company. The company was ordered sold to a bidder for \$1,450 and the proceeds divided, \$990 to Mrs. Ude and the rest to Mr. Ude. Judge Sears complied with Ude's request yesterday and entered the order.

### Largest Shipment of Film Sent East

Seven Elaborate Productions Pass Through Omaha on Transcontinental Train.

The largest shipment of motion picture film negative ever transported on a transcontinental train passed through Omaha at 7:30 last night en route from Los Angeles to New York City.

The shipment was in charge of John McCormick, western representative of First National exchanges, and Dave Barshow of Los Angeles. It is valued at \$2,000,000.

Five insurance companies pooled the gigantic risk of transporting the film in safety with provision that two men accompany the shipment.

Harry Weinberg, John Alpers and Arthur Cunningham, well-known Omaha film men, met the two First National representatives at the Union station.

This big production activity denies statements that American producers are stopping work in favor of German productions, according to Mr. McCormick.

The shipment comprised seven elaborate film productions soon to be released.

### Hospital Dismisses 12 Nurses Who Went On Joy Rides at Night

Twelve student nurses at Nicholas Seun hospital were discharged from Nicholas Seun hospital Wednesday for alleged infraction of rules.

They went on secret automobile rides at night and attended public dances, it is said.

The girls are Mabel Drucker, champion swimmer in the hospital pool; Clarice Fall, Adele Maslousky, Edna Peterson, Della Van Skiver, Ebel Carroll, Marie Sourezy, Bonnie Farmer, Helen Dorman, Lillian Kudrna, Esther Greer and Helen Bagley.

"We had to dismiss ringleaders who were breaking hospital rules," said Mrs. A. P. Condon, who assists her husband, Dr. Condon, in operating the hospital. "We have to keep up the standards of our hospital."

There are 30 girls on the hospital's waiting list, though the number employed is but 50, Mrs. Condon stated.

### Girl Says She Stole To Get Money for Rent

Tearfully pleading for another chance, Rose Lee, who was arrested Wednesday night for the theft of a \$125 mink stole from the National Fur and Tanning company, 1701 Douglas street, told Judge Dunn in Central police court yesterday she stole the fur piece to get money with which to pay her rent.

She was discharged and the police matron was instructed to secure a ticket to Kansas City for her and send her to her home there.

May Brock, whose apartment at 617 South Sixteenth street detectives searched for the fur, and who was arrested for operating a disorderly house, was fined \$25 by Judge Dunn. Earl Hartley, bellhop, and R. S. Hawthorne, salesman, 2522 North Thirty-first street, who were arrested as inmates of the Brock apartment, were discharged.
