

Can Youth of 17 Live Decently on \$500 a Month?

Problem Presented to Court In Hearing on Expenditures By Van Wyck Benner's Guardian.

Can a youth of 17 live decently on \$500 a month? County Judge Crawford was called upon yesterday afternoon to determine this weighty problem, and he put off his decision for a few days after having 300 pages of depositions submitted to him.

John Steiner, administrator of the \$750,000 estate of the late Mrs. "Happy" Theodora Van Wyck Benner, objected to the amount of money being spent by Fernando Benner, father and guardian of Van Wyck Benner, 17, since the death of the latter's mother. Fernando contends he hasn't spent too much. Here are the items:

Automobile trip, Omaha to Mt. Vernon, N. Y., right after he was made guardian of Van Wyck, \$1,479.46.

Pocket money for Van Wyck, September, 1919, to December, 1920, \$1,000.

House for Van Wyck, December 5, 1919, to January 24, 1920, \$498.

Other expenses of Van Wyck (largely automobile bills) September 8, 1919, to February 8, 1921, \$4,247.24.

Half of the household expenses in Mt. Vernon for the same period, \$2,213.24.

This makes a total of \$9,438.12 for mere necessities for Van Wyck in 18 months. This is \$899.97 more than the amount turned over to Mr. Benner by the administrator.

The administrator asks for a reduction of the amount allowed Van Wyck, \$500 a month.

Fernando Benner, Van Wyck's father, has remarried and in the household now are Van Wyck, his stepmother, father and a little stepbrother.

Van Wyck is going to the public schools and is doing very well, his teachers say.

Omaha Air Meet Dates Set Tentatively as Oct. 27-29

Members of the Omaha Aero club and business men of Omaha will meet at the Chamber of Commerce Thursday night to discuss plans for an international air meet and national reunion of all men engaged in the air service during the war. The event is being sponsored by the Aero club and as the expense of the meet will be \$25,000, the proposition will be put up to the business men to determine if they want to help finance it.

Tentative dates for the meet have been selected as October 27-29. It will be open to all fliers of the world. A race from Omaha, Kansas City, St. Louis and back to Omaha is one of the many features under contemplation.

Dr. A. S. Pinto Mentioned As Successor to Edwards

Dr. A. S. Pinto is being mentioned in connection with the forthcoming appointment of health commissioner, to succeed Dr. J. F. Edwards, resigned. Dr. Pinto was in the office of Police Commissioner Dunn Monday afternoon.

Mayor Dahlman and Commissioner Dunn will confer today on the matter of a new health commissioner. It was agreed in conference of the city commissioners last Saturday that the mayor and Commissioner Dunn should make a recommendation to the city council not later than June 1.

"We have absolutely reached no agreement as yet on this matter," asserted the mayor yesterday.

Bert Thorpe Reinstated To Police Force by Dunn

On recommendation of Police Commissioner Dunn city council yesterday formally ratified the reinstatement of Bert A. Thorpe as a city policeman.

Appointments of E. J. Seroy as foreman of parks, and C. J. Carlson as secretary in the office of Commissioner Hummel, each at salaries of \$200 a month, were confirmed.

Confirmation of the appointment of John Merrell as city prosecutor and clerk of the South Side police court at a salary of \$2,400 a year also was voted.

Confesses Thefts When Caught With Marked Mail

Charles A. Pastner, 36, a letter carrier detailed as a collector of mail for the Omaha postoffice, was arrested yesterday afternoon by Postoffice Inspectors W. M. Coble, Elmer Matsen and H. A. Roland at the Barney station, for the theft of mail matter.

Mail marked by the inspectors was found in possession of Pastner and he confessed that he had stolen and rifled letters on several occasions, according to Mr. Coble.

Wife Sides With Husband In His Suit for Heart Balm

Edith McLeran sides with her husband, Adelbert, in the latter's suit for \$10,000 for alleged alienation of her affections. The trial opened in Judge Fitzgerald's court yesterday.

Klein's answer is that the McLeran couple were never married, though they lived together 10 years and have two children. McLeran's cruelty alienated her affections, Klein asserts.

Another Board of Public Welfare Worker Resigns

Julia B. Hudlin, case worker for the Board of Public Welfare, tendered her resignation yesterday afternoon to Supt. O. M. Adams. Mrs. Hudlin's work was among colored people.

Including Superintendent Adams, himself, Mrs. Hudlin is the fourth of the welfare board's office staff to resign since the new administration took charge in the city hall, May 17.

Police Judge "Soaks" 100 Motorists With Fines

Appeals for Jobs For Ex-Service Men

American Legion Adjutant Urges Observance of "Hire A Hero" Week.

Appeals for support of "Hire a Hero" week will be made this week to every business men's organization in Omaha, according to Adjutant Hough of the American Legion post, who spoke yesterday before the members of the Lions' club. The "Hire a Hero" week starts Monday.

"The American Legion believes that keeping men off the street is one of the solutions of the present unrest," said Adjutant Hough. "There are many men out of jobs, some of them hungry. When a man is hungry he will listen more readily to any unsavory proposition in order to get food."

"There are many former soldiers, sailors and marines on the streets looking for work. 'Hire a Hero' week will give many of these ex-service men an opportunity to earn enough money to buy them food for a while at least. It will do much toward quieting conditions."

Business men are to be asked to employ ex-service men out of work for one week. Men who have no vacancies are asked to make places and pay the men decent wages.

"I think 50 cents an hour the least men should be paid," Mr. Hough said. "I have had some offers for men where the wages were only 25 cents an hour. I don't think there are many persons as tight as that in Omaha."

Close Watch on Agitators Urged By E. D. White

Attorney Tells Lions Club Revolutionary Societies Are Sowing Seeds of Sedition Broadcast.

Societies which openly work for the downfall of the government and which preach against government are spread broadcast throughout the nation, according to E. D. White, attorney, and special representative of the Union Pacific railroad, who spoke before the Lions club yesterday afternoon at the Rome hotel.

"There are 35,000,000 people in Europe clamoring to get into this country to become citizens," he said. "A majority of them are coming simply to evade the present high taxes over there and to get away from other national responsibilities."

"Many of these people will shirk the responsibilities imposed on them when they become citizens over here."

Mr. White said that some regulation should be made regarding immigration until, at least, the country had passed through its present period of unrest.

Mr. White declared himself as favoring a national organization which would keep a close watch on all organizations and societies preaching against government and that all found guilty of revolutionary tendencies should be punished or deported.

The speaker said there was a society of college professors who preached the gospel of socialism in their classes and were annually turning out socialists of the most radical order.

Poppies to Be Sold Saturday, As Well as Memorial Day

Mayor Dahlman Monday Granted Permission for the Erection of Booths on Downtown Street Corners, from which it is expected 30,000 poppies will be sold.

Holiday activities and the fact that the big stores close half-day next Monday might interfere with the sale, the chairman, Mrs. W. A. Wilcox, explained, so the advance sale was devised.

Mayor Dahlman Monday granted permission for the erection of booths on downtown street corners, from which it is expected 30,000 poppies will be sold.

Proceeds go to the American-Franco Children's league.

Niece Sues to Break Deed Given by Late Dr. Miller

The mental competency of the late Dr. George L. Miller was attacked in District Judge Sears' court yesterday where a suit was begun to break a certain trust deed executed by him in 1903 putting about 80 acres of land at Seymour lake in the hands of C. T. Kuntze and Luther Kuntze to be turned over to the Nebraska Humane society at the death of Dr. Miller.
