

### Passing of Tram Cars Predicted

Automobiles to Supplant Trolley Lines Here Soon, Says W. B. Check.

A future in which street cars will be an unknown quantity and wider city streets, free from tracks, was predicted by W. B. Check, president of the Omaha Automobile club and chairman of the joint good roads committee, in an address before members of the Kiwanis club at the Rome hotel yesterday noon.

"The automobile and the automobile truck are here to stay. I predict without hesitation that in the future no more street car systems will clutter up our streets here with their bad tracks and the commerce of the nation will be carried in by auto trucks.

"The trend is already that way. Truck lines operating between Lincoln and Kansas City already have been established. There is a bus line operating between towns on the Lincoln highway and Omaha which

each week carries hundreds of travelers in and out of the city.

"Because of this it is essential that Omaha and Douglas county build and maintain the best roads possible. Travelers will follow the best roads. With good roads, traffic and trade will be diverted to Omaha."

During his talk, in which he described the activities of the joint committee, made up of members of the Automobile club, Chamber of Commerce, Rotary club, Kiwanis club, Automobile Trades association and the Grain, Real Estate and Live Stock exchanges, Mr. Check urged the members to boost for good roads.

### Patrolman Loses Gun From Suit He Took to Cleaners

Patrolman Matt Courval, 835 South Twenty-first street, is minus one gun.

He left it in the pocket of his uniform in the Star Cleaners' establishment at Fifteenth and Dodge streets. When he called for the uniform, the gun was missing.

### Peterson in Lincoln.

Frank H. Peterson, assistant United States district attorney, is in Lincoln, where a federal grand jury is in session.

### Masons Planning To Run Hospital

Proposition to Be Discussed at Meeting of Nebraska Lodge Here.

The purchase or erection of a hospital to be operated by the Masons will be one of the principal subjects to come before the meeting of the Nebraska grand lodge of Masons in Omaha June 7.

The purchase of the new Fenger hospital at Twenty-sixth street and Dewey avenue is one of the tentative propositions presented to the Nebraska lodge.

Mrs. E. C. Henry, builder of the Fenger hospital and at present its manager, declared yesterday that the hospital was for sale and that some negotiations had been carried on with the Masons.

Grand lodge officials have expressed themselves as being well pleased with the institution. The Fenger hospital was finished in October, 1920, at a cost of \$600,000 and was to be a memorial to the

Danish boys and girls who were killed in the late war. Those who took over the hospital were unable to meet obligations and after a few months found themselves involved in litigation which ended in the appointment of a receiver.

### Vicinity Gassed by Explosion of Tank

A tank containing 25 pounds of sulphur dioxide blew up at Fifteenth and Harney streets at 11 o'clock yesterday, thoroughly "gassing" the neighborhood.

Business was suspended and pedestrians left the vicinity until the disagreeable odor floated away.

The tank, property of the Colton company, 404 South Fifteenth street, was being loaded on a truck to be hauled to its new location at Nineteenth and Douglas streets when a faulty valve gave out.

### Memorial Day Proclamation

Lincoln, May 27.—(Special.)—McKelvie today issued a proclamation asking all citizens and organizations to join in properly celebrating Memorial day, Monday, June 30.

### Says Doctor Drove Niece And Her Mother From Omaha

That the late Dr. George L. Miller "drove his niece, Miss Nellie Johnson, and her mother from Omaha because he was ashamed of the way they dressed," was the allegation made yesterday in district court by attorneys for Miss Johnson.

She is trying to break a trust deed made in 1906 by Dr. Miller, prominent Omaha pioneer and capitalist, conveying 80 acres of land at Seymour lake to Charles T. and Luther Kuntzke to be turned over to the Nebraska Humane society at his death.

Dr. Miller died a year ago.

# HELP YOURSELF CLUB

## THE TEST

### of One's Ability Is in Trying

When the Help Yourself Club Campaign was inaugurated, quite a lot of folks, attracted by the marvelous value of the awards, entered their nominations and thought they had made up their minds to secure one of the awards.

Some become faint-hearted and with the thought that they were not of the "lucky" folks and not realizing the true nature of the campaign, which is that members will be rewarded strictly in accordance with the work which they do, they gradually desisted in their efforts.

Some found the truth—that the element of luck had nothing to do with their success—that hard work was the only way to secure an award, and not fancying strenuous work, they dropped out of the campaign.

The only element of "luck" entering the Help Yourself Club Campaign is that "luck" of possession of individual determination—a belief in one's own ability and the willingness to work hard to prove it.

If you possess this "luck," you are one who should at once become a member of the Help Yourself Club.

There are mighty few of us who would not be willing to work strenuously at our usual line of work if we had the inducement held out to us of securing for a few weeks' extra effort an automobile.

Securing subscriptions for The Bee is a dignified job. You are offering your friends something which in the near future they will purchase in any event. The wonderful improvement in The Bee has opened the eyes of the public to the fact that The Bee is the logical paper to have in the home.

We believe there is still time for energetic members to make a start right now and retrieve what they have lost through their inactivity. None of the awards have been won. Everybody has an opportunity and the opportunity is dependent entirely upon their own individual desire to secure one of these valuable awards.

The standing of members and the vote values of subscriptions are published on page 15.

\$7,800.00 HOME.

### Special Additional Awards

The Overland and Gardner Automobiles are given, one to the member of Districts 1, 2, 3 and 4 and the other to the member of Districts 5, 6, 7, 8 and 9 securing the largest amount of cash subscriptions during the period from May 16th to June 4th.

### The \$29,450 List of Awards:

- 1--\$7,800.00 Home, First Capital Award
- 1--\$4,440.00 Cadillac, Automobile
- 1--\$1,500.00 Conservative B. & L. Deposit
- 9--\$1,115.00 Maxwell Automobiles
- 9--\$200.00 Building & Loan Deposits
- 9--\$100.00 Building and Loan Deposits
- 1--\$1,625.00 Overland Sedan
- 1--\$1,350 Gardner 5-Passenger Automobile

Total Number of Awards - - - - - 32  
Ten per cent cash commission to all non-winners if they turn in \$50.00 or more.

### Extra Vote Offer

Take advantage of this extra vote offer, which expires at 10:00 p. m., June 4.

For \$25.00 in subscriptions you will receive 75,000 extra votes and for each dollar in excess of \$25.00 you will receive 3,000 extra votes. These are in addition to the regular votes as given in the schedule. There is no limit to the extra votes you may gain in this offer; \$30.00 will give you 90,000 extra votes.

### Notes for Members and Non-Members

When the day of announcing the awards arrives, a number of members are going to say, "Well, I never was lucky." Those who do secure the awards will say, "I surely worked for it, but just see what I received for my work." Which will you say?

Somebody is going to sit behind the wheel of that big \$4,440.00 Cadillac and glide along the road and have an awfully kindly feeling for the Help Yourself Club and that one will be the one who secured the second highest number of votes.

How about the supplies? Keep a good stock on hand.

There is still another week of the big Extra Vote Offer. 75,000 extra votes are given for \$25.00 in subscriptions and 3,000 for each dollar over the twenty-five. This offer is open until June 4th.

Somebody is going to make a real home of that \$7,800.00 house at 2758 Titus Ave., and the family which does will feel real kindly towards the Help Yourself Club.

The small list of members entered in the various Districts proves very clearly that a full appreciation of the value of the awards of the Help Yourself Club has not been experienced. The more members entered, the less will be the number of votes required to win the awards.

Keep in mind these few points about The Bee. It is for Omaha, for Nebraska and for its readers. It has no axe to grind. It would much rather boast than criticize. It endeavors at all times to be fair to everybody. It has three news services—the complete Chicago Tribune Leased Wire News and Universal News Service, in addition to Associated Press. It is easily the newest paper in Nebraska.

Nine people will secure Maxwell cars, and when they are enjoying their trips in their new possessions, they will naturally give credit to the Help Yourself Club.

### A Good Buy

If anybody remarks that they cannot afford The Bee, take a pencil and show them that The Bee, including the big Sunday issue, only costs them about 2 cents a day and ask them if they can afford to be ignorant of the real happenings in the world and their own community for 2 cents a day.
