Conference to Consider Enforcement Methods Planned For This Week-May Transfer Work.

Commissioner Blair of the bureau of tailers on this trip. internal revenue, looking to changes in enforcement methods.

The subject of "rehabilitation" of the enforcement system will be gone raded and visited at every stop. Some over, Mr. Penrose said, adding that of the expressions follow: the advisability of transferring the Optimism Is Expre prohibition unit from the bureau of internal revenue to the Department of Justice, the designating of a superntendent for each state or for each judicial district and other suggestions would be taken up. Senator Penrose said he was in

favor of the Department of Justice taking over the enforcement work. Secretary Mellon already has expressed approval of the proposed transfer, and Mr. Blair is understood to favor the step.

One of Mr. Blair's first acts, it was said, would be designation of a new prohibition commissioner in place of John F. Kramer. For this place, Newton Fairbanks of Ohio has been mentioned.

## Seven Killed When

(Continued From Page One.)

Dubuque, Ia. He was graduated from Cornell university at Ithaca, N. Y., in 1897, and received the degree of L. B. at the New York school in Then at the age of 21 he was admitted to the bar of Iowa.

He was elected to the 63d congress to succeed Charles E. Pickett, republican, as the first democrat from his district in Iowa. He was defeated for United States senator in 1904 by Senator Albert Baird Cummins,

After his defeat, Connolly became greatly interested in airplanes, and with the Curtiss sales force and flew a great deal himself.

A. G. Batchelder was the organizer of the American Automobile associawas employed on the New York American and other Hearst papers. Mr. Batchelder was born in Attica, N. Y. He received his early training as a newspaper man on the Buffalo Courier, from which place he joined the Hearst organization in New

Narrowly Escapes Death.

Capt. Burdett S. Wright, aide-decamp to Brig. Gen. Mitchell, assistant chief of the air service, narrowly escaped death yesterday afternoon, when a plane he was flying from Langley field to Bolling field crashed down at Rock Point, Md.

Captain Wright was flying not far hurled to the ground. His plane was wrecked and he received a broken

Captain Wright declared that the storm which overtook the ill-fated seven men and himself was the worst he had ever faced in the air. At the time of the accident Wright did not know that the huge plane ahead had

He declared he was seeking a place to land when a gust of wind bore down on his plane and literally crushed it to earth. He believes that this also caused the ambulance plane

### Graduation Exercises

Fairbury, Neb., May 29.—(Special.)—County Eighth grade graduation exercises were held in the City park. There were 112, 56 boys and 56 girls who graduated this year. Dorohty Strain of District 75 received the highest average in the

ice cream to the crowd, six or eight sizing up their stocks and are inof the prominent business men acting as waiters and hosts.

### Steele City Schools Hold

Graduation Exercises Fairbury, Neb., May 29.—(Special.)—Steele City school graduation exercises were held in the opera house. Four High school seniors and nine eight grade pupils completed the work. A program of music and readings was given, followed by the address by Superintendent Morton of the Fairbury city

### Two Graduate From Sunol

Schools at Lodgepole Lodgepole, Neb., May 29.—(Special.)—The Sunol school closed its term with two graduates. The baccalaureate sermon was delivered by Rev. H. F. Martens of Lodgepole. Commencement exercises were held in the Auditorium, Rev. Dr. Baeir of Iowa delivering the class address.

Evangelistic Meetings. Alexandria, Neb., May 29 .- (Spe-

cial.)—Evangelistic meetings are being held in Hebron by Theo and Minne E. Ludwig. Boosters from Fairbury, Jansen and Harbine are there to help in carrying on the services.

Will Build Library.

Alexandria, Neb., May 29.—(Special.)—The city of Hebron is to have a new public library in the near future. It is planned to build the structure of hollow tile with stone exterior and is to be a modern building in every respect.

## Omaha Trade Trippers Are

Is Moving and Outlook for Business Good Opinion of All Excursionists Who Made

Washington, May 29.-Republican in 120 towns of southern Nebraska that the present prohibition enforce- and northern Kansas, the 86 members ment system is "inefficient, wasteful of the trade excursion of the Omaha Chamber of Commerce arrived at the aspects," Chairman Penrose of the night. More than 200,000 people, for senate finance committee announced whom Omaha is the market place, that conference would be held next were reached on the week's journey. grain and liquidate their loans. Deweek between his committee and many as 800 customers among the re-

officials of many large firms who pa-

### Optimism Is Expressed.

L. B. Clough, general sales man-ager of M. E. Smith & Co.: "To my mind the dry goods and furnishing business is in a very healthy condition. Most merchants have repriced their stocks down to comparatively few exceptions, the warm weather of the last few days has started the buying very ma-

dition because of cold weather and band is a knockout, and the trip in certain districts rain is needed. However, there is little question but it." Airplane Crashes

What the 10-year average yield will be maintained this year. Business this late summer and fall will be good "The most agreeable surprise" if a fair price can be procured for the crop when marketed. This is evidenced by the spirit of optimism instilled by the recent raise in grain prices."

#### Conditions Improving. E. H. Hoel, secretary, Carpenter

Paper Co.: "Despite the uncertain economic condition prevailing at this time, one can not travel in this wonderful can not southeast Nebraska territory without strengthening his faith in Nebraska as truly a garden spot, and in the future of Omaha and the state. We are truly blessed by being situated as we are. I find a feeling of opduring the war was a major in the timism prevails among the business air service. He became connected men of this district. Conditions already are improving. We return home with a determination to push harder than ever for the development of our interests in this trade tion and has been a resident of territory. > spent. Frank Myers, manager, Farmers Union Exchange: "'How is business?' 'When do you expect it to become normal?"
> "These two questions universally

asked by representatives of Omaha firms brought forth replies from their customers such as these: "Business is just fair. Normalcy will only be reached when products the farmer is expected to buy are reduced to the basis of those he is sell-

"In reply to the question as to behind the Curtiss Eagle when he what single thing would most ma-was caught by a gust of wind and terially help the farmer at this time, the statement generally given was, 'A material reduction in freight rates' Farmers are producing up to the limit of their capacity. Wheat is limit of their capacity. Wheat is spotted. Some fields will not make spotted. five bushels per acre; others, on bot-tom land, will make a normal yield. Harvest will be very early."

### Purchases Are Small.

G. E. Jennings, vice president, Wright & Wilhelmy company: "We were much impressed with the business optimism expressed by the big majority of the retail hard-ware dealers visited this week. The big selling movement of grain that has been going on for the past 10 days ought to be reflected soon in Held for Eighth Graders increased buying, as well as collectury. Neb. May 29.—(Spe-tions. Invariably dealers are trying to reduce their stocks, but in most cases realize they must keep a good assortment and are buying in small

quantities, but often." R. W. Moore, treasurer, Kirken-

dall Shoe company: "The shoe trade is picking up, especially on women's low shoes and At the close of the program the city Chamber of Commerce served white footwear. Most merchants are terested in the Omaha market for that reason. The general feeling is one of optimism. Numerous engagements were made on the trip for salesmen to call in the near
