

Hard-Fought Races Feature First Day's Card

Tableau D'Honneur Wins Feature Events of Opening Program at Ak-Sar-Ben Spring Meeting.

Over a track made to order for him, it being sticky and holding, Tableau D'Honneur, 5-year-old...

Unsettled weather conditions prevailed yesterday and as a result the attendance was small. However, the crowd was enthusiastic and a few close finishes served to give the racegoers plenty of thrills.

The lid was torn off the eight-day meeting when Mayor James C. Dahlman took his place in the judges' stand where he acted as honorary judge during the initial day's performance.

"The Inauguration Race," the feature event on the program, was at six furlongs, and despite the adverse track conditions, the winner negotiated the distance in 1:18.

The race was worth \$400 to G. Drumheller, owner of Tableau D'Honneur, while second place brought \$70 and third \$30.

Many Alterations In Rules of Golf Provide for Maximum Weight and Minimum Size of Ball—Lightens Penalties.

London, June 2.—A number of alterations in the rules of golf have been officially notified by the rules of golf committee of the Royal and Ancient club, the legislative authority for the game.

Perhaps the most important of the provisions is that which lays down the maximum weight and the minimum size of the ball.

This move in the direction of a standard ball will not, however, solve the great problem of the day, which arises out of the undoubted tendency of the long-flying ball to rob the game of golf of its essential characteristics.

Balls made to the new specifications actually fly further than their banned predecessors.

Another important alteration lightens the penalty for a "lost ball." On the other hand, the price to be paid for "out of bounds" is increased.

The practice, which was becoming common, of waiving penalties in match play competitions is absolutely barred, under pain of disqualification.

The question of the use of the latest freak clubs made and used in the United States, such as grooved or slotted or corrugated irons and mashies, which are supposed to make it easy to put "stop" on a ball, has not been dealt with, but the warning is issued that these clubs may be barred in the near future.

The more important of the new rules are as follows:

Rule 12—Lost and Unplayable Ball: (1) If a ball is lost (except in water or sand) or is deemed by the player to be unplayable, the player shall play his next stroke as nearly as possible to the spot from which the ball is lost or unplayable was played, adding a penalty stroke to the score for the hole.

Rule 13—Ball Out of Bounds: (1) If a ball is lost or is deemed by the player to be unplayable, the player shall play his next stroke as nearly as possible to the spot from which the ball which is out of bounds was played, adding a penalty stroke to the score for the hole.

Rule 14—Teasing-up and Avoiding Delays: (1) If a player teases up or avoids a stroke, he shall be deemed to have committed a breach of the rules and shall be liable to a penalty stroke.

Rule 15—Special Rules for Stroke Competitions: (1) A ball may be lifted from any place on the course, if it is lifted in accordance with the provisions of this rule.
