Parents' Problems On Any Business Day at

How can a little boy of 5 best be broken of the habit of contradicting? The best thing to do with this little boy is to minimize for a time his opportunities for contradicting. A habit such as this is very apt to be, as Dr. Richard Cabot would say, "starved

Never scrub a hardwood floor: it ruins the floor quickly,

Drawn for The Bee by McManus Discount Rate **Shows Business** Better in East

> New England Woolen Mills Report Increased Activity-Many Operating Upon Full Time.

> > By HOLLAND.

Boston was the first of the federal reserve districts to reduce the bank discount rate. Therefore, it was assumed that in New England business conditions were improving, or at least that the money and credit situation had been so relieved as to make it possible for business to improve.

This surmise is found to have been, in part, correct. The great woolen manufacturies at Lawrence,

In Middle West.

The investigation which has just been made shows that in the middle west the automobile industry is rapidly recovering from its recent slump. The number of employes in this industry increased in April by nearly 26 per cent.

Mail order houses, which do a very large business in the middle west when prosperity prevails, but which were for a time compelled to submit to a heavy setback when deflation was under way and when the public refused to buy, are now recovering.

recovering.

One of the most encouraging features to be found in the report which has just been made by those who have investi-

and lower prices resulted, the close recipts were much lighter than a week ago.

WIELDY 2 man 11.00 2 cars, 11.00 cars

Prairie Hay-Receipts, light, Little de-

Friday, which conservative people regarded as reaction enough and they are more disposed to buy on any further break.

"Cron news in both corn and oats is generally favorable," say Thomson & McKinnon, "and we believe the cash situation is of more importance than the crop outlook. We believe anticipation of lower prices is inadvisable."
