

More Booze Ring Arrests to Come, U. S. Agent Says

Moonshine Shipped From Omaha to Lincoln for Sale To Capital Thirsty, Officer Says.

More Omahans alleged to be implicated in a liquor ring which federal and state officers are seeking to break up.

Warrants have been issued for the arrest of Jay O'Hearn, an automobile battery dealer, and for a William Henderson, Mr. Magney said.

Bob Anderson, federal prohibition officer, who, with the assistance of Capt. C. H. Moore, state officer from Lincoln, has arrested three Omahans in connection with the liquor ring case, were to return to Lincoln yesterday afternoon.

All those arrested will be charged with conspiring to violate the prohibition act except Mrs. Kamelia Caniglia, Anderson said.

Anderson, Sheriff Moore and police yesterday raided the Caniglia home at 514 1/2 Woolworth avenue and uncovered a store of several hundred gallons of wine and some "moonshine," they say.

The raid was made with the guidance of a Lincoln youth, whose name was not divulged. Earlier in the afternoon Charles Andrews, 511 South Twenty-fourth street, was arrested on a federal warrant charging him with transporting liquor from Omaha to Lincoln.

Plans New Raids. Anderson conferred with members of the morals squad at Central police station yesterday morning. He is planning a series of raids, with the help of state and city authorities, to "break up the underground railway which is transporting hundreds of gallons of liquor from Omaha to Lincoln," he said.

He says he was impressed with the plentifulness of liquor here by an incident of the raid Thursday. Sheriff Moore and a police officer knocked at a door of a home they supposed to be that of Caniglia, for which they had search warrants.

The man of the house opened the door, but when he saw the officers fled back into the house, leaving the door open. A minute later the officers heard the crash of bottles from the basement of the house.

Liquor Is Destroyed. According to Moore, the man must have destroyed several hundred gallons of liquor. They discovered they had arrived at the wrong address, but as they departed they could still hear the crash of bottles, Moore says.

Amendment to Federal Farm Loan Act Passes Senate After Fight

Washington, June 10.—The senate passed and sent to the house the Kenyon bill, amending the federal farm loan act to permit an increase in interest rates on bonds of joint stock land banks from 5 to 5 1/2 per cent.

During the debate, however, tax exempt securities came under a strong fire and demands were made that the government eradicate what was described as the tax exemption evil.

Senator Smoot, republican, Utah, submitted an amendment to make income from such bonds taxable. A lengthy debate followed. Mr. Smoot finally withdrew the amendment, saying, however, that the senate had not heard the last of that subject.

Mr. Smoot declared the stock land banks created under the farm loan act, were beginning to compete with their parent institutions. Strictly speaking, he said, they were private organizations, although the moral backing of the government was behind them.

Quartet of Nebraskans Play Foursome of Golf With Harding

President and W. J. Foye Beat Governor McKelvie and Ward Burgess—Walter Head Is Scorekeeper and Has Enjoyable Chat With Executive.

Washington, June 10.—(Special Telegram).—A foursome at golf played yesterday with President Harding as one of the contenders will be a lifelong memory to a quartet of Nebraskans, Governor McKelvie of Lincoln and Ward Burgess, Walter W. Head and W. J. Foye of Omaha.

Some months ago Governor McKelvie sent to the president a golf ball he had won in a tournament and suggested that he would like to meet the chief executive on the links some time. The president thought that a foursome would be about the proper caper for a governor and the suggestion came to a climax Thursday when on the sportsy links of the Chevy Chase club, President Harding and W. J. Foye beat Governor McKelvie and Ward Burgess "nineten down," according to the official scorekeeper, Walter Head.

Notwithstanding W. J. Foye had never seen the Chevy Chase links before, he made the 18 holes in 76, less than bogie and four above par.

and he describes his record play to the fact that he was playing with the president of the United States as a partner. Both Governor McKelvie and Ward Burgess played consistent golf, but they were no match for the president and Foye.

Walter W. Head as official scorekeeper had a splendid opportunity to visit with the president during the three hours they were on the links and he came away from the game convinced that a very great American was in the White House.

During the day Governor McKelvie had a conference with Attorney General Daugherty. The nomination of J. C. Kinsler of Omaha to the United States district attorney was talked over as well as law enforcement as it relates to prohibition.

Last night Governor McKelvie gave a dinner for Senator Norris, Congressman Andrews and Messrs. Burgess, Head and Foye.

Today Governor McKelvie and Mr. Head will be luncheon guests of the president.

"Ghosts" Hired to Scare Man Into Better Spirits Toward Wife Killed Him, She Says

New York, June 10.—Dan F. Kaber, wealthy Lakewood, O. publisher, met death after attacking two foreigners engaged by Mrs. Kaber to pose as spirits to frighten him into a better attitude toward her, according to a statement which the New York Evening World today says Chief of Police Christensen obtained from Mrs. Kaber here.

The newspaper quotes Chief Christensen as saying that Mrs. Kaber had consulted a woman medium for advice as to how to change her husband's attitude toward her. The publisher's surly manner after an illness was said to have occasioned the visit.

By advice of this medium, Mrs. Kaber was said to have employed two foreigners to appear at her husband's bedside in the night as ghosts and as she expressed it, to try and shake a little civility into him.

Sought to Fight Men. Aroused from his slumber, Mr. Kaber was alleged to have attacked the two men and to have been stabbed to death by them in the struggle.

According to the newspaper, Chief Christensen said Mrs. Kaber had declared that she had refused to pay the two foreigners when they reappeared after the funeral, asserting they had not fulfilled the role of ghosts as she had intended and that she would not involve herself by paying for murder.

Mrs. Kaber was then said to have fled to New York to escape the foreigners without advising the Cleveland police for fear of involving herself.

The "man with the cap," now in custody in Cleveland, is the man who drove the knife 24 times into Kaber's body, according to the statement attributed to Mrs. Kaber.

Woman Is Arrested. A medium whom Mrs. Kaber says planned the murder was arrested in her home here early today by Prosecutor Stanton and Chief of Police Smith. The woman refused to make any statement.

According to Prosecutor Stanton's information from Chief Christensen, Mrs. Kaber said "two foreigners did the murder" and declared that a man arrested by Cleveland officers in Sandusky, O., Wednesday morning and now held in jail here procured the actual slayers.

The "man with the cap" was arrested Wednesday and his companion, a cousin, who, according to the statement, sat at Kaber's head to stifle his cries, is being sought by police.

Mrs. Kaber and her daughter broke down and confessed, according to Stanton's advice from New York, after being questioned ceaselessly for several hours by detectives sent to their cells during the night.

Mrs. Kaber, it was said, implicated her daughter, her aged mother, Mrs. Mary Brickel, now in jail here, all of whom are charged with murder, and the woman who was taken in custody early today.
