

WELLESLEY SENIORS, some two hundred and fifty of them, all dressed alike, form on the college campus, a huge living 1921, their class numerals, on the occasion of their recent May Day festivities. Just now the students and alumnae are putting in their spare time campaigning for their Alma Mater's Semi-Centennial Fund. *Underwood*

A SEVENTY-MILE-AN-HOUR WATERSPOUT, similar to the phenomenon reported recently by the captain of the Ward liner Esperanza as having been observed from his ship while steaming through the Caribbean. The waterspout seen by the Esperanza's passengers was about three hundred feet high and nearly a hundred feet wide. *Aronie*

BASEBALL'S NEWEST SENSATION, "Long George" Kelly, star first sacker of the Giants and challenger for "Babe" Ruth's home run crown. When this snap was made the lanky batsman had slammed out seven circuit clouts to Bambino's six. Last year Kelly made eleven homers. Ruth a world's record of fifty-four. *International*

A PINWHEEL CHAPEAU, a self ventilating Parisian novelty in summer headwear that helps answer the question, "What's the latest in French millinery?" Buy a wire lampshade frame, a few kilometers of your favorite ribbon, tack one end of the ribbon to the wire and start winding, and after a bit of millinery pyrotechnics you have your bonnet. *Mirzoff*

ADMIRAL HENRY B. WILSON, Commander of the Atlantic Fleet, and Assistant Secretary of the Navy Theodore Roosevelt add their whole-hearted applause to that of more than ten thousand gobs at the baseball game to decide the fleet championship held at Guantanamo, Cuba, just before the mighty armada is reviewed north to be reviewed by President Harding. *International*

BILLY SUNDAY HELPS MAKE CIN-

Here's the well-

joyously assisting at
the last sad rites of
a sample of home-

the brewers still
it overboard in Mill
