Tots Are Held in City During Long Hot Summer Time

While Almost Everyone Else Goes to Resorts, Poor Babies Get Only Relief Through Milk Fund.

Almost everyone is beginning to long for cool, snow-capped mountains; or clear, rippling lakes, with banks overhung by heavy foliage.

Some time during the long summer almost everyone will depart from the sun-baked, sultry city for tome resort where cool breezes Comfortable sport clothes will be donned and the vacation will renew the vitality sapped by long,

hot days in the city.

But can anyone depart happily on a vacation knowing that within a few blocks of the home they are leaving there are tiny babies-infants who have suffered even more from the heat? These tots, in the poor homes of the city, will have no chance to escape the heat, to breathe the fresh, cool, invigorating air of some summer resort.

The Bee's Free Milk and Ice Fund brings relief to these babies. It is the only agency which does. Any sum from 10 cents to \$5 is accepta-

Chiropractors of

Several States to Be Entertained Here

Omaha will entertain the chiropractors of Nebraska and surrounding states this week, the occasion being the annual convention of the Nebraska Chiropractic association, Dr. Lee W. Edwards of Omaha has arranged with two of the district chiropractic associations of Iowa to forego their home meetings and join forces with the Nebraska chiropractors in Omaha. A delegation from South Dakota, including several officers from South Dakota Chiropractic association, are expected to arrive in Omaha today.

While in Kansas City June 6, where Dr. Edwards addressed the Missouri chiropractors, he painted the attractions of Omaha and the Nebraska chiropractic convention in such glowing colors that a large number from Missouri are planning

Omaha Orchestra Plays

For Lake Manawa Dances Jazz music for dancers on the pavilion at Lake Manawa is being played this season by the Kriss orchestra of Omaha. Dancing at the lakeside pavilion continues to be the most popular form of amusement at Manawa, although crowds already have taken advantage of the boating and bathing facilities at the summer resort.

Several industrial pienics were held at Lake Manawa last week in spite of the inclement weather. Numbers of other picnics are booked for Manawa in the immediate future. Rapid street car service between Omaha and Manawa is being maintained and the automobile roads are kept in good condition.

Women Foresters Meet Joint meeting of the Women's Catholic Order of Foresters will be

held Monday evening at 7:30 at the home of Mrs. William Foran, 1007 South Thirty-fourth street.

ADVEBTISEMENT. PROLAPSUS CAN **NOW BE CURED**

Physicians agree that a large percentage of Constipation is caused by Prolapsus, or a folding down of the lower bowel, piles, and other rectal troubles. Constipation is one of the most serious human ailments and is responsible for much nervousness, headaches, stomach and liver troubles, pains in the back, etc. Dr. A. S. McCleary, head of the Parkview Sanitarium in Kaneas City, has developed the only known cure for Prolapsus. It is an absolutely painless treatment and the cure is positive without the use of surgery or physics. Sufferers from Constipation who have Prolapsus will never be fully relieved until the Prolapsus is cured. Write for Free Booklet "B," to Room 164, Parkview Sanitarium, Kansas City, Mo, if you want to know how to be cured of Constipation caused by Prolapsus.
