The entire herd of Buffaloes trampled over Mr. Morris and his Oilers, Daniels hurled for the locals, and accounting for everything, deserved to be the winning twirler. He was caught in many holes, but due to the excellent fielding and the de luxe hitting of the Buffaloes, he managed to escape in most cases.

Haney Scores Two. Lingle and Daniels both singled in the second. They each took a base on Gislason's sacrifice, and scampered home when Haney drove a smashing double to the left-field fence. The third stanza is the tale of Griffin's homer. The Buffaloes had Morris working

hard every inning, but were unable to get any more scores until the seventh, when Lelivelt hit a double. Griffin could not be backward, so he repeated with a two-bagger to left field, scoring "Smiling Jack." O'Brien walked. Mr. Massey flew out to left field. Lingle took his time and waited for a walk. Redick Lowers Club Record

John W. Redick, former state go't champion, broke the Country club course record Tuesday afternoon trotting over the links in 69. The lowest score ever made on the course before today was 70, according to

Charlie Johnston, golf "pro."
Redick was playing with his father,
W. A. Redick, and Burton Millard. He played perfect golf, every shot being accurate. Nothing marred the game. Everything was just right, but on the last hole, he pulled his ball a little to the left of the green. The ball hit a bench and bounded back into a sand-trap, the hole costing him a four. Minus the bench, Redicle could have made a three on the final hole, thus giving him a score of 68. Par on the Country club course is

Redick took a three on the third hole, making it in one better than par. He lowered the par mark on the fourteenth hole, getting a four. But the eighteenth hole cost him an extra one. Redick was state champion in 1913. Last year he lost his chance to the

state title when he was defeated in the final round by Ralph Peters. Following is Redick's score and par on the course:

Free Tube Offer Continued Until Saturday, June 25th

Owing to our having received so many requests from tire buyers who failed to get into our store in time to take advantage of our great combination offer of a tube free with every tire, we have decided to continue this great offer for a few days longer, and if you would profit by the extraordinary low price that this means, you must make your tire purchases by that date.

YOU CANNOT BEAT the bed-rock prices we are making on Stephens Tires at any time and when you consider that we are giving a tube free with each tire, the prices become startling in their lowness.

If you have all the

inner tubes you need and still want to buy tires, we will give you your choice FREE with every tire, a SHINE-RAIN shield for Ford car, a spare tire cover or an EZY-REST driver's back cushion, instead of a tube. You get any one of these articles with each STEPHENS "Special" Tire at bedrock prices.

Every Stephens "Special" is guaranteed by the factory for 6,000 miles and you must be satisfied with the goods you buy here. But we cannot continue indefinitely to give away tubes, so on Saturday, June 25, we will withdraw our special offer. We could not make such low prices and generous combinations without Our FACTORY-TO-USER system of selling through the STEPHENS CHAIN OF TIRE STORES, which means that we have eliminated all middlemen's selling expenses, only one small profit being charged over and above actual manufacturing cost. IF YOU NEED TIRES AND TUBES, GET

YOURS NOW-BUY ANYWAY, WHILE YOU CAN SAVE MANY DOLLARS. Dibbad Non-Skid
