

### Forgotten Lover Will Face Joyce

Model Says He Is 'Good Scout' And Laughs at 'Cave Man' Charges.

Chicago Tribune-Omaha Bee Leased Wire. Chicago, June 20.—Forgotten lovers are appearing from the misty past to embarrass J. Stanley Joyce, much the same as old affairs are arising to confound James A. Stillman. And Peggy seems able to discover these old loves with the same skill as that displayed by "Fif" Stillman. The latest is a "mystery" woman, said to be on her way here from Los Angeles. It is said this woman succeeded Charlotte Johnson in the affections of Joyce. Attorneys for Peggy intimated broadly that this woman will "rip the veil from the young millionaire's past." Attorneys for both sides agreed today not to call Mrs. Charlotte Johnson Gordon as a witness in the ten-

porary alimony hearing, even if the court decides Peggy must come here and undergo cross-examination. Mrs. Gordon is stopping at a hotel and anxious to take the stand and defend herself in her "own sad experience with Joyce." Adelyne Slavik, a model, today volunteered to come to the defense of Joyce. She says she first met Joyce when she was selling Liberty bonds and that she thought him charming, although he made love to her in a desperate and most persistent manner. She says he is a "good scout" and laughs at Peggy's claim that Joyce struck her. "Did you ever see a rabbit slap a bull dog?" asked Miss Slavik. "Joyce was no cave man. He would no more slap a woman than he would fly."

### Low Records Broken On New York Market; 'War Brides' Hard Hit

New York, June 20.—Low records of one to 20 years were registered during a further collapse of prices on the stock exchange today when sales totalled almost 1,250,000 shares. All classes of stocks were affected, but investment rails, steels, oils and railway equipments were hardest hit. United States steel losing more than 3 points, dropped to 71, the lowest since 1915, when it declined to 38 before the war boom lifted it to 89 1/2.

Canadian Pacific, once a favorite of the international stock markets, including Berlin, was weakest rail, extending last week's loss by 4 points to 101. That quotation was the lowest since the 1901-03 period, when it fell to 87. Oils, motors and railway equipments were often without support, even at pronounced concessions. Mexican Petroleum repeated its recent low of 10 1/2, after rallying to 109.

### File Protest Against Telephone Rate Raises

Lincoln, June 20.—(Special.)—Protests against the application of the Nebraska Telephone company for a permanent 10 per cent surcharge and an increase in person to person calls were received today by the state railway commission from Spaulding, Neb. Like protests against a raise application of the Lincoln Telephone company were received from Deweese, Neb. The protesters admit that the drop in prices of labor and materials chronicled and the demand for higher rates is puzzling to them.

**Lincoln Pioneer Dies**

### One of Five Towns Will Get New Reformatory

Lincoln, June 20.—(Special.)—One of five towns will get the "decision" this week on the location of the new \$300,000 reformatory, according to apparently authentic information emanating from the state board of control. They are: Lincoln, Fremont, Ashland, Ogallala and Broken Bow. Originally there were 22 applicants for the location. Nineteen of them have been eliminated. While other towns have been making much noise about their claims for the reformatory, Lincoln has been working quietly. Last week the board of control had an expert testing the water at the old Western Military academy at Lincoln. That is the place offered by the city of Lincoln for the new reformatory.

**Will Return Dakota Man On Charge of Desertion**  
Lincoln, June 20.—(Special.)—The governor's office today honored extradition papers from South Dakota asking for the return of John W. Tannehill to Grant county, S. D., to face a charge of desertion of three children, the youngest 10 months and the oldest 4 years. He is under arrest at Homer, Neb.

### Injured Man Held as Drunk; Dies in Cell

Des Moines, June 20.—(Special Telegram.)—Walter Dunham, 50, who was slugged and run over by an automobile, was picked up an hour later by police who thought he was drunk. He was booked at the police station on intoxication charges. Two hours later he was found dead in his cell. When the body was taken to the undertaking rooms the wounds were discovered. All of the ribs on his back were broken and splintered. His chest was crushed in, his abdomen crushed and he had been slugged over the head.

**Harvest Labor Shortage**  
Lincoln, June 20.—(Special.)—A labor shortage is facing Nebraska farmers at the opening of the harvest season, according to a statement issued by C. C. Becker, inspector in charge of the United States employment station here. Osceola wants 100 men. Requests from other towns for men are: Aurora, 25; David City, 20; Geneva, 15; Crete, 10; Dorchester, 6; Seward, 10; Wahoo, 10; Tecumseh, 5; Friend, 10.
