

Poor Tots' Faces Light With Joy As Get Cool Milk

Nourishment Allows Children of Destitute Families to Grow Healthy and Happy.

Did you ever see a baby's face light up with joy? Of course you have. And you've never seen anything more beautiful. That's the way poor babies' faces look when cups of cool, nourishing milk are fed them—made possible by The Bee's milk and ice fund.

Greatest Asset.
Children are the greatest asset of this country, Owen Lovejoy declared yesterday at the national social workers' conference in Milwaukee. That's why every effort should be

put forth to make them healthy and happy, not permit them to grow up thin, scrawny and under-nourished. The milk and ice fund is the first essential during the hot summer months. Visiting Nurses direct into which needy homes the milk and ice shall go.

Here are the latest contributions to the fund:

Taxis Crossing River Won't Be Forced to Get Iowa License

Reports that R. A. Jackson, collector of automobile taxes at Council Bluffs, was to force drivers of taxicabs and trucks crossing the river to take out Iowa licenses is incorrect, Mr. Jackson has notified officials at the Omaha Chamber of Commerce. The collector declared that the Iowa law requiring drivers of taxicabs and trucks to show a driver's license probably would be enforced

Poorest Golfer of C. of C. Directors Will Win Prize

"Otherwise" and Best Players Also to Be Given Trophies at Field Club Tourney Thursday.

Poor golf players at last will have their inning. When the annual golf match between the members of the board of directors of the Omaha Chamber of Commerce mingle in a match at the Field club next Thursday afternoon there will be a prize for the poorest player as well as the best. There is even a prize offered to the "otherwise" players.

President Paul Kuhns and W. W. Head, chairman of the executive committee, will captain the two teams of club swingers. They will "choose up sides" and, according to

all reports and plans for the engagement, there will be a line of wicked club handling all afternoon.

The golf match is an annual event and always looked forward to by the directors.

The golf match will be topped off with a dinner which is to be served in the Field club that evening. Those who can't play golf are invited to come and eat in the invitations being sent out. The committee in charge is G. Harley Conant, U. R. Gould, F. S. Knapp, Harry A. Koch and Guy L. Smith.

New Governor of Hawaii Here En Route to Honolulu

W. R. Farrington, recently appointed governor of the Hawaiian islands, passed through Omaha yesterday morning on the Overland Limited en route to his home in Honolulu. Mr. Farrington has been spending some time in the states, having left Honolulu in April.

While in New York he attended the national convention of the Associated Press and the American Newspaper Publishers' association. Mr. Farrington has lived in the Hawaiian islands for more than 20 years. He

is the owner and publisher of the "Star-Bulletin," the principal newspaper of the territory.

Mr. Farrington was accompanied by his daughter, who has been attending the University of Wisconsin.

Butler Objects When Water Board Buys Liberty Bonds

Purchase of \$200,000 worth of Liberty bonds by the Metropolitan Water district was announced by R. B. Howell, chairman of the board, yesterday.

In answer to criticism by Commissioner Butler, who said the money should have been invested in city bonds, Mr. Howell explained that the "water board needs money from time to time, and that Liberty bonds are easy to dispose of."

"We purchased the bonds at \$86.76 and will draw about 5 per cent interest on them," said Mr. Howell. "If we should let them mature we would draw more. City bonds are not listed on the market and if we needed money to buy back our own bonds, for example, we would have to go out and sell them ourselves, that is if we bought them."
