Wins Fourteenth Straight.

Minden, Neb., June 28.—(Special.)—The Minden Wildcats won their 11th straight victory, defeating the Campbell team at Campbell, 4 to 1, making 14 victories for Minden against their one defeat. The Wildcats won the game on the start, when, with one down, Copple walked and Thomsen brought him in with a circuit smash to deep center. Their other two tallies came in the seventh frame, when Thomsen, first batter for Minden in the inning, tripled over left. McCoy walked, stole second, reached third when Roy bobbled the throw on Rasmussen's hit, and scored when Battiste hit to Gagnon. Rasmussen and Battiste going out on the play. The Frenchmens' lone tally came in the last of the ninth, when Munger mistook Copple's signal and sent in a high fast one, out of his reach, Wagner scoring.

The game was a brilliant exhibition of base ball from start to finish, both mound men working in fine form, Munger having a little the edge on strikeouts and working better in the pinches.

It to Pay Judgment

Philadelphia, June 28.—An auto-mobile belonging to Jack Dempsey, heavyweight champion, and said to be valued at \$15,000, was seized in front of a hotel here today to satisfy a judgment obtained against the fighter in a Philadelphia court recently by Dr. Herbert Goddard for an unpaid balance for a minor opera-

\$1,000 for the operation, which was performed more than a year ago. The fighter paid \$500, declaring the fee sufficient. The doctor sued and won judgment for the remaining \$500.

Reformers Fail To Stop Fight

International Reform Bureau Official and Jersey Ministers Make Appeal.

By The Associated Press. Jersey City, N. J., June 28,-Vice Chancellor John Foster late today declined to stop the Dempsey-Carpentier bout in this city next Sat-

He told the reformers that if it were found after Saturday that any one had violated the state boxing law they then could be held re-Mr. Foster asserted that he could

issue no order against a probable pre-intended violation of criminal law, as requested by the international reform bureau. Jersey City, N. J., July 28,-Vice Chancellor Stevenson today denied a motion by the International Reform

bureau for an order directing Promoter Tex Rickard to show cause why he should not be restrained from staging the Dempsey-Carpentier bout in this city Saturday. Mr. Stevenson, however, gave the representatives of the bureau permission to apply to another vice chancellor for such an order and the

clerygymen departed to look one up. Mr. Stevenson explained that he was leaving town late today and could not hear the argument. No one was in court representing Rickard. Meanwhile Mayor Hague was conferring with the heads of the fire

and police departments and Rickard concerning protection of those who turned out for the bout. Counsel for the reform bureau announced that he would try to show that the Dempsey-Carpentier affair was a prize fight and not a boxing

match, that it would attract gamblers and pickpockets to Jersey

City and that it would demoralize the youth of the community. He said he was prepared to introduce affidavits by bureau members to the effect that they had interviewed both principals and had been told by each that he intended to win with a knockout.
