extinguished and the automatic stokers put out of commission. Work of repairing the damage was

started immediately and the employes had hopes of getting the plant in operation early today. The fire department was called to pump the water from the basement.

When the fire department responded to a call at a flat at 2821 Dewey avenue, the men found seven feet of water in the basement. The flood was knee-deep in the yard.

Basements and cellars of practically every house on Twenty-eighth street, between St. Marys avenue and Harney were flooded.

Several Persons Rescued.

At Twenty-fourth and Patrick avenue overflow from a sewer backed up into the yard of a boarding house, filling the basement. Members of the Twenty-fourth and Cuming street fire department rushed to the scene and caried out several persons from houses and buildings where the flood was rising. Commander of Allied Forces In World War Sends Independence Day Message To United States.

By The Associated Press. Paris, July 4 .- - Marshal Ferdinand Foch of France, commander-in-chief of the allied army, sent today through The Associated Press, a message to the American nation on the occasion of the anniversary of the Declaration of Independnce.

The message embodies a tribute to the American army, paid by the man who led to victory the allied forces with which that army fought, and to the peeople of the United

The message reads:
"In celebrating America's Independence day, in union with the United States, France does not only commemorate the heroic days when Lafayette with the best of her sons, brought help to the noble cause of the liberty and independnce of the United States, but commemorates also the days more recent and not less heroic, when the American na-tion stood up fully bent upon the de-fense of another great and noble cause: The liberty of the world.
