#### Coaster Car Taxi Service Proceeds **Boost Milk Fund**

11-Year-Old Boys Do Thriving Business at Nickel a Ride -Profits All Go to Help Babies of Poor

"Taxi! Taxi!"

This cry resounded through the neighborhood of Twenty-seventh and Poppleton avenue last week as the streeets in their high-powered

coaster limousine.
"Nickle-a-ride," they called.
All the kids in the neighborhood clambered aboard, or tried to. Even if their exchequer boasted only a

Result: The Bee milk and ice fund for poor children of Omaha is enriched by \$1.

The Bee milk and ice Trenton, Neb., where an unto the fund for poor children of Omaha is enriched by \$1. James and Edward brought their Veterinarians to Hold hard-earned money to The Bee office to present it in person.
"We carned it ourselves," they

made it luxurious with an old rug, to attend.

used tin cans for headlights and lusty young voices for a siren.

Mrs. Bradley tested out the car
and pronounced it safe from spills
before business began.

The same fine spirit which actuated the little lads to perform this service for their less fortunate brothers and sisters is evidenced by the Florence Nightingale club of Omaha nurses, who subscribed \$10 to the fund. It stands as follows: Previously acknowledged ........\$128.83

James Freed and Edward Bradley. In the name of the Florence Night-ingale club

Pair of Runaway Blair

Youths Held at Fremont Fremont, Neb., July 9.—(Special.)
—Robert Mead, 18, and James Han-James Freed and Edward L. Brad- na, 16, runaway boys from Blair, ley, ir., 11-year-olds, sped through mother of one of the boys arrived to take charge of the juvenile tramps. Robert stated that he was tired of hanging around home doing nothing and was on his way to Lincoln to enlist in the army. Young Hanna said he had had a disagreement with to leave with his pal, headed for parade. Trenton, Neb., where an uncle was

WITH NASH PERFECTED VALVE-IN-HEAD MOTOR

## **Newly Reduced Prices Increased Value**

The plain statement of a price reduction tells less than the full Nash story.

For the Nash manufacturing efficiency and economy that made possible new prices also added quality to Nash cars.

The big Nash plants at Kenosha and Milwaukee are the finest works that could be devised.

Ample finances provided the most modern machinery. Long experience developed the most effective shop practice. And Nash production ability is constantly finding ways to build more economically while building more finely.

The new lower first cost means a lower final cost because of the many betterments continually being embodied in Nash cars.

That is exactly what Nash value stands forpaying less and getting more in able performance, in durabilty, and in solid comfort.

The worth of every Nash car is further safeguarded by our Nash service that is territorywide and unfailingly prompt.

Come see the Nash models at their new prices.
