Chicago, July 9.—Earl Sheeley's timely batting and Shovel Hodge's great pitching enabled Chicago to make it two straight from New York today, 10 to 9, in one of the longest games of the season in the American league, the game going 16 innings.

The visitors hit Twombley and Weineke opportunely and took a commanding lead, but Hodge came to the rescue and held New York when he took the mound. The locals played an uphill game and in the seventh inning got to Mays, finally forcing his retirement in the ninth inning. Hodge started the rally which enabled the White Sox to tie the count in the ninth, and Sheeley delivered the hit which sent in the tying run. Sheeley also sent in the winning run with a single in the sixteenth inning. Falk singled with one out in the sixteenth and took second on an infield out. He scored ov Sheeley's hit, giving Chi-
