April 1

"The reason is that business men are more and more demanding trained help. They can find plenty of young men and women who will work for them, but not a sufficient number who have had the training to conduct their business in the most fficient manner. They want more of this kind and will get them as fast as they are available. And, of course, they will pay more money for their services.

"There are always good positions waiting for those who are trained in specialized lines of business work. And business stands ready to pay

Northwestern Road May

Table Rock, Neb., July 10 .- (Spe-cial.) - Semi-official advices are that service will be restored in the near future on the Kansas City and Northwestern railroad which runs through the western part of this county, ter-minating at Virginia in Gage county.

No trains have been run on this road for a long time. It is understood that the Chicago and Northwestern railroad contemplates buying the rolling stock, track and terminals, in which case the line would be extended from Virginia to Lincoln. The price asked by the re-ceiver for rolling stock is \$800,000. terminals, \$1,000,000. The purchase

would give the Northwestern a direct line from Lincoln to Kansas City.
