Sheppard-Towner Before House Committee

Hearings on the Sheppard-Towner maternity bill began before the house committee on interstate and foreign commerce Tuesday, July 12, and are still going on.

It is eight times as safe to be a soldier in the United States army as to be a baby in the United States.

Dr. Philip Van Ingen, clinical professor of diseases of children at the College of Physicians and Surgeons, Columbia university, who followed Dr. Baker, began his statement with a broadside of official statistics concerning the mortality of mothers and babies showing that the maternal mortality in the United States is exceeded only by tubercular mortality as a cause of death among women of childbearing age.

HOLDING A HUSBAND

Adelle Garrison's New Phase of "Revelations of a Wife"

The Way Madge Turned the Tables On Dicky.

Dicky turned on me savagely as soon as we were out of the hospital room where Marion lay.

"Why the devil didn't you tell me she wasn't to raise herself?" he demanded, and I realized with a little thrill of admiring pity that the child had stretched the truth for him when she had declared that she had raised herself in his arms, and that he was not to blame for the pain she had suffered at the sudden movement.

It was only another but peculiarly irritating specimen of Dicky's invariable tendency to blame me in some manner for anything that goes wrong, and I was tempted to retort that a person possessing ordinary common sense would have known that a child who had undergone such a terrible accident—of which he knew the details—should not be moved, I might have reminded him also that Robert Savarin needed no such reminder, but had managed to embrace the little thing lovingly without raising her to a sitting position. But, instead, I forced back the retort and spoke reassuringly.

"I fancy there has been no great harm done. But I think you are wise in calling Dr. Pettit to him."

Scheibel will also visit the Canadian Rockies.

A daughter was born Sunday to Dr. and Mrs. H. M. Levin of Defiance, Ia., at Nicholas Senn hospital. Mrs. Levin was formerly Miss Lottie Horn of Omaha.

Mrs. John McCague, jr., and daughter, Georgia, will go to the northern part of Wisconsin early in August to spend the remainder of the summer. Mr. McCague will join them later.
