## The Married Life of Helen and Warren

Warren, Bored and Irritable, Ignores as bored as the man Helen won-Helen's Efforts to Divert Him. | dered how many years before she, "Here, waiter, switch on that fan! too, would reach that stage.

Warren. "And hustle along that or- better than this feverish striving to "Yes, sir." hastening to turn on

the electric fan nearest their table. 'Dear, was it hot in your office today?" Helen laid aside the menu after an auxious appraisal of the

"Hot everywhere," curtly, again engrossed in his paper.

Wistfully Helen gazed about the gray and white, linen-swathed restaurant. Other couples were laughing and talking in animated dinner mood. Only she sat silent and neglected with Warren barricaded behind the evening paper.

eral attempts at conversation had elicited only monosyllable grunts.

"Dear, how would you like to go out to the Drakes next Sunday? They've been wanting us to come all summer-we've just to let them

"Um-um," without looking up. "If you don't want to spend the day-we could leave about 1 and have the afternoon and evening." To this there was no response whatever. Patiently she waited, the jellied bouillon.

congealed amber broth, Warren consumed it in stolid silence. "Dear, you seem tired. Did you

have a hard day?" "No harder than usual," with a crustiness that precluded further humor. questioning along that line. It was several moments before she

ventured on another topic. "Aren't those red geraniums atwindow boxes. "I've often thought | the check." of having some in the dining room
—that bay window would take three boxes. Would they have to be made to order? What do you suppose they'd cost?"

Warren's shrug indicated both his ignorance and indifference. A barren, dragging interval, emphasized by the vivacious chatter

from nearby tables, spurred Helen to still another effort. "I met Mrs. Holden in the elevator this morning. They're going up to Cedar Inn for two weeks. Wasn't

that where the Sanfords went last "Uh-uh," scooping out a large spoonful of the quivering jelly. "I'm sure they won't like it. Mrs. Sanford said they were eaten up with

mosquitoes. I wonder why they don't go to the beach again? Wouldn't you think it would be better for the children?"

Discouraged at the pathetic failure of her conversational manoeuvers, "What're you trying to get at, any-Helen broodingly regarded the other | way?" diners. What were they all talking about? Why were they all so interple don't!" now flushed and excited. ested? Was it because they were not

Then there had been so of your damned analyzing, that it? much to talk about. Tvery trivial thing had seemed of vital impleces and put it under a micro-

Now Warren looked bored to extinction at every subject she broached. It was an effort to get even a grunted resporse.

Over the entree of broiled mushrooms she tried to think of something in her uneventful day that might arouse a gleam of interest.

"Oh, the man came this morning to fix that lock on the bathroom He said the spring was broken—it'll be cheaper to put on a bolt. We never lock it from the outside—so won't a bolt do just as buildings situated in their own

'S'pose so," absently. a snatch of the trivial but lively dialogue from the adjoining table. "I did call you up but your wire

was busy. Well, that's what central said. About 3. I tried again at half-past but you were out."

It was the old story of "Before and After," reflected Helen bitterly, comparing this couple's absorption with Warren's utter boredom.

"Dear, did you read that wireless story in this month's Colmore's? About the politician who had a secret station and received messages

"Oh, cut it! Don't rehash any of those Colmore yarns. Tiresome enough when you read 'em first

"Why I thought the last few numbers had been rather good. They've started a new serial by Fullerton. Haven't you seen the announcement They're advertising it everywhere.' "Same old sex slush," buttering his

#### Melon Recipes.

Watermelon Flip-Cut the melon in rounds with a tablespoon, free it from seeds, then set to chill. Make a rich sirup of peach and flavor it with ginger. When cooked cool the sirup. When ready to serve lay a small block of peach ice cream un-der each piece of melon and pour over the fruit sirup. Serve very

Cantaloupe Ice Cream—Make a rich boiled custard in the usual way and set to cool. When the custard is cold have ready one large cup of whipped cream and the pulp of two cantaloupes chopped fine, add to the custard and freeze in the usual way. Serve in the melon shells.

Deviled Cantaloupe - Chop the pulp of two cantaloupes fine, add one-half cup of crumbs, a large grated onion, pepper, salt, a little sugar, one saltspoon of curry pow-der, and one finely minced red pep-per. Fill buttered remekins with the mixture, dot generously with butter on top and bake.

Watermelon Kiss Salad-Cut the pulp of the melon in good sized cubes. Have ready a cup of cool spiced sirup and a small cup of stale macaroon or crumbs mixed with one-fourth cup of finely chopped nuts. Dip the chilled melon cubes into the sirup then into the crumbs. Heap in chilled sherbet glasses and cover with mayonnaise, without mustard, that has been lightened with well seasoned whipped cream.

### Jazz to the Moan of a Saxophone

The Saxophone is king! It has a silver voice and a harp-like vibrant tone which is never harsh nor discordant.

It is tremendously popular and you can learn to play it in two weeks' time. Try the beautiful J. W. York & Son's C. Melody Saxophone. You'll not be able to resist it!
