FRECKLES

Now Is the Time to
Get Rid of These
Ugly Spots

There's no longer the
slightest need of feeling
ashamed of your freckles as
Othine—double strength—is
guaranteed to remove these
homely spots.

Simply get an ounce of Othine
—double strength—from any
druggist and apply a little of it
night and morning and you
should soon see that even the
worst freckles have begun to
disappear, while the lighter
ones have vanished entirely. It
is seldom that more than an
ounce is needed to completely
clear the skin and gain a beau-
tiful clear complexion.

Be sure to ask for the double
strength Othine as this is sold
under guarantee of money back
if it fails to remove freckles.
