**By Motor Truck On Increase Here**

20,860 Head Motored to Omaha Yards in July, 1921, an Increase of 2,816 Over Month Last Year.

During July, 20,860 head of hogs were brought to local stock yards by truck, which was 2,816 more than brought by truck in the same month last year. In June of this year, 23,676 hogs were shipped to the local yards by auto truck.

Truck drivers from the surrounding country say roads have been unusually good and that they made good time bringing in the porkers. They say that highway improvement road under way will increase the amount of live stock brought in by motor.

The first three days of this week 33 carloads of cattle were received at local stock yards from the Crow Indian agency at Spear, Mont., and the shipment was the largest single one of cattle received this season. They were sent by E. Frante, live stock superintendent of the agency. Most of the consignment were of the good beef class and the bulk of the shipment was bought by representatives of packers at a price of from \$7.30 to \$7.50 a hundred.

B. B. Clark of Crane, Ore., brought in a shipment of 58 head of cattle yesterday out of four carloads that made a new top record on full-load lots. The price was \$7.75 and the average weight 1,277 pounds. The balance of the shipment was sold for \$7.25 a hundred. Four loads of horned cattle of lighter weight were in the same train, sent by the Crane Cattle company. They brought \$6.85 to \$7.15 for the bulk.

"City of Akron" Balloon To Try for Bennett Trophy  
 Akron, O., Aug. 5.—The free balloon, City of Akron, has been designated by the Aero Club of America as one of two American contestants for the James Gordon Bennett international balloon race trophy at Brussels, Belgium, September 18, it was announced here today.

1,600 Ship Workers Quit At Chester Vessel Yards  
 Chester, Pa., Aug. 5.—Sixteen hundred ship yard workers struck yesterday at the Chester yards of the Merchant Shipbuilding corporation, declaring their action a protest against a reduction in wages. Riveters, reamers, fitter-ups and drillers were affected.
