

Green Opposes More Borrowing By Government

Council Bluffs House Member Believes Mellon Budget of \$4,600,000,000 Higher Than Necessary.

Washington, Aug. 5.—(Special Telegram.)—Judge William R. Green of Council Bluffs, ranking member of the ways and means committee, who, with the speaker of the house, the republican floor leader, Mr. Mondell, and other republican members of the house, was a guest at the White House recently, during which the tax situation was gone over pretty thoroughly, said today that the ways and means committee was adhering closely to the program outlined at that time.

While it was not then known what amount would have to be provided, Secretary Mellon today in his public statement said that nearly \$4,600,000,000 would be needed to run the government in 1922. This amount could be reduced and the amount due the railroads, estimated at \$325,000,000, could well be spread over a period of two years, Judge Green believes.

Opposed to More Borrowing.

Mr. Green said: "Some of the members of the ways and means committee want to raise only \$3,500,000,000, saying they do not want to impose any new taxes. This would leave a deficit in the revenues of the next two years of about \$1,000,000,000, which would have to be raised by issuing certificates or bonds. I am opposed to further borrowing in times of peace. Such a practice would inevitably depreciate the values of all liberty bonds and increase the rate of interest which the government would have to pay in its funding operations.

"As we are still recovering large sums from salvaged war materials and from back taxes it is a favorable time to raise revenue for the government as it will be raised in the future and I believe the amount necessary can be realized by taxes which will not be excessively burdensome.

"Among the new taxes, I propose one on gifts above \$5,000. The inheritance tax might be raised, and in other ways we can make up the losses sustained by the repeal of nuisance taxes, which are so obnoxious, and the repeal of the transportation taxes, which I consider to be the most important.

Against Auto Tax.

"The repeal of the excess profits tax and the addition of 5 per cent to the corporation income tax in its stead will cause considerable loss. If the tax is to be shifted in favor of making it high enough to entirely make up the amount lost and I would prefer a tax on the undistributed profits of corporations to increasing the tax on corporation incomes and repealing the \$2,000 exemption which is now in force.

"I do not favor a further tax on automobiles. Neither do I approve of the proposed tax on bank checks.

Early Receivership Seen For Schuyler Mill Firm

Schuyler, Neb., Aug. 5.—(Special.)—Application for appointment of a receiver of the Schuyler-Millman Co., flour millers, is forecasted within the next 10 days.

S. F. Bell, brought from New York by bond-holders as prospective manager of the mill under a proposed reorganization, has inspected the property and is advising the creditors.

Pioneer Grain Man Dies

At His Home in Fremont

Fremont, Neb., Aug. 5.—(Special.)—W. R. Wilson, pioneer grain dealer in this vicinity, died last evening following an illness of two weeks.

Mr. Wilson came to Fremont in 1870 and engaged alternately in the live stock, grocery and grain business. Forty years ago he founded the Nye-Schneider-Fowler company, as the Nye-Wilson-Morehouse company.

Yellowstone Park Weather Here Is Joy to Forecaster

"Far be it from me to boast or to injure the railroads," observed M. V. Robins, chief weather purveyor at the federal building, "but why go elsewhere for good weather?"

So saying, Mr. Robins pulled from his leather file case statistics which show that Thursday Omaha's highest temperature, 78, was no higher than at Yellowstone park.

Authorities Are Unable To Find Former Oil Man

L. V. Fox, former president of the Omaha Refining company, for whom country officers have been searching since Thursday, has not been found. He is charged with issuing a \$1,400 check without having sufficient funds in the bank to meet it. On reports that he was about to leave the state, a capias was issued for him yesterday.

Former Soloist at Church Asks Divorce

Alvin F. Kellstrom, of A. V. Harmon & Co. has agreed out of court to pay his wife, Mrs. Adeline Wyckoff Kellstrom, former soloist at North Presbyterian church, \$50 a month temporary alimony pending her suit for divorce filed Thursday.

Would Reimburse Air Mail Donors

Omaha Among Cities Joining In Effort to Secure Federal Appropriation.

Salt Lake City, Aug. 5.—Western cities on the transcontinental air mail route will act jointly in an effort to secure a federal appropriation that will reimburse persons who contributed to air mail hangars located in the various cities.

This information was given out here today by a committee representing contributors to the hangar at Woodward field, Salt Lake City, in connection with an announcement that a meeting of representatives of six cities on the route will be held in Salt Lake next Wednesday.

The cities to be represented include Omaha, North Platte, Cheyenne, Salt Lake City, Reno and San Francisco.

Jewelry Taken From Homes of Omahans

Jewelry missing from the homes of prominent persons in Omaha have kept detectives on secret investigations for the past week.

Mrs. Lester Heyn, 512 South Thirty-first street, reported the theft of a valuable pearl necklace from her home when she returned from a vacation. Mrs. R. S. Neir, 117 South Thirty-sixth street, mother of Mrs. Heyn, also lost several pieces of jewelry that she valued highly.

Mrs. Weigel Feels Young and Happy Since Her Health Has Been Restored.

"I just can't begin to express my gratitude to Tanlac for the wonderful help it has been to me," said Mrs. W. A. Weigel, 4106 Binney St., Omaha, Neb.

"I had been in miserable health for nine years when I began taking Tanlac and had finally gotten into an almost helpless condition. I actually dreaded to go to the table, as nothing I ate agreed with me. At night I rolled and tossed from side to side for hours and I would get up in the morning feeling all worn out and miserable. I was almost in the depths of despair because in all these years I had been trying medicines and treatments that failed to do me any good.

"Tanic has done more for me than I had hoped for any medicine to do. It has not only relieved me of all my troubles but it has made me feel buoyant and young and happy. The way I feel now is no more like the way I felt before I took Tanlac than a rainy day is like a sunny day. There is no doubt in my mind about Tanlac being the greatest of medicines.

Packers Adopt Arbitration Plan

Workers Given Voice in Problems Under Scheme of Armour & Co.

Chicago, Aug. 5.—An arbitration plan affecting some 30,000 Armour & Co. employees in all parts of the country was adopted at the first meeting of representatives of the employees and management under the recently adopted "industrial democracy" by which the workers were given a voice in all problems affecting their interest. Similar plans are being prepared by other large packers.

The meeting was attended by representatives elected by the employees from 10 plants of Armour & Co. in various parts of the country, as a general conference board and management representatives. The conference was to determine a permanent form of organization and was held preliminary to the cancellation of the wartime agreement, whereby any difficulties between the packers and their employees were to be adjusted by Federal Judge Samuel G. Aischuler. This agreement automatically ends September 15.

The new arbitration plan provides

that should any dispute reach the stage where it cannot be adjusted by the general conference board, an arbitrator satisfactory to both sides, shall be appointed who will investigate and whose findings shall become final.

Begin Work on Adair-Anita Federal Aid Highway

Atlantic, Ia., Aug. 4.—(Special.)—Ground has been broken on the Adair-Anita federal aid project. Workmen have begun the grading on the Adair county end of the project and within 10 days work on both sections of the proposed improvement will be in full swing.

Old Resident of Omaha Dies Following Illness

Mrs. Joseph Riseman, 63, long time resident in Omaha, died at noon yesterday at her home, 542 South Thirty-first avenue.

She has been ill since Sunday. Besides her husband, six children survive. They are Charles, Henry and Sam Riseman; Mrs. Lena Brodkey, Mrs. Fannie Sessel and Mrs. Harry Ferrer.

Funeral services will be held Sunday morning.

Late Gifts Swell Bee's Milk Fund

Subscriptions Sent in by Children Bring Total for Season to \$1,208.18.
