Leonard Matched With Jack Britton

Benny May Meet Welterweight King Two Weeks After Tendler Bout.

New York, Aug. 6.—(Special.)— In addition to the bout with Lew Tendler in Philadelphia on the night of August 12, Benny Leonard, lightweight champion of the world, is practically matched to box Jack Britton, world welterweight title-holder, two weeks later or perhaps on Labor day. Billy Gibson, who looks after Leonard's business affairs, said that the match with Britton would be clinched within a few days, as the get inside of the ropes with the lightweight king.

Britton boxed 12 rounds with the rugged Mickey Walker in Newark a couple weeks ago and, in the opinion of competent judges, was bested on points, although Walker was knocked down in the first round by a hard punch in the body. Britton, however, intends to be at the top of his form when he meets Leonard for he already has started careful

Leonard will make 135 pounds at 2 p. m. for Tendler and probably will agree to let Britton come in at 145 pounds if Jack asks for that limit. The Leonard-Tendler scrap is considered one of the most attractive ever arranged by a Philadelphia club and may draw \$150,000

at the gate. Dave Driscoll, the New Jersey promoter, will stage the Leonard-Britton bout either in Jersey City or at Ebbets Field, Brooklyn.

Here's why CAMELS are the quality cigarette

DECAUSE we put the utmost quality into D this one brand. Camels are as good as it's possible for skill, money and lifelong knowledge of fine tobaccos to make a cigarette.

Nothing is too good for Camels. And bear this in mind! Everything is done to make Camels the best cigarette it's possible to buy. Nothing is done simply for show.

Take the Camel package for instance. It's the most perfect packing science can devise to protect cigarettes and keep them fresh. Heavy paper-secure foil wrapping-revenue stamp to seal the fold and make the package air-tight. But there's nothing flashy about it. You'll find no extra wrappers. No frills or furbelows.

Such things do not improve the smoke any more than premiums or coupons. And remember -you must pay their extra cost or get lowered quality.

If you want the smoothest, mellowest, mildest cigarette you can imagine-and one entirely free from cigaretty aftertaste,

It's Camels for you.
