

General Tinley Decorated for His Service to State

Delegation of 25 Bluffs Citizens Attends Ceremonies for Head of Iowa National Guard at Des Moines.

Des Moines, Aug. 16.—(Special Telegram.)—A Council Bluffs soldier was again honored this afternoon, when Governor Nate E. Kendall of Iowa decorated Brig. Gen. Matthew A. Tinley, commanding officer of the Iowa National guard encampment at Camp Dodge, with a medal indicating 25 years' continuous service in the National guard organization.

General Tinley affiliated himself with the guard before the Spanish-American war and served as a lieutenant in the Philippines. He continued his connection with the organization upon his return and finally attained the rank of lieutenant colonel, serving upon the Mexican border in this capacity.

Promoted to Colonel.
At the beginning of the world war he was promoted to the rank of colonel and placed in command of the 168th regiment. During his service overseas at the head of this organization, he was awarded the croix de guerre and the distinguished service medal. Recently he was relieved of command of the 168th and promoted to the rank of brigadier general, commanding all Iowa National guard troops.

Yesterday was governors' day at Camp Dodge. It also was Council Bluffs day. The delegation of 25 citizens from the Bluffs arrived by train at 11 and were met at the station by automobiles. Original plans to drive overland from the Bluffs were abandoned at the last moment because of the heavy rains which made the roads impassable.

Visitors Meet Governor.
The visitors were driven directly to Camp Dodge, where they ate lunch at brigade headquarters mess hall. After lunch the delegation waited upon Governor Nate Kendall and General Tinley at headquarters and Robert B. Wallace explained the purpose of the visit. He said the Bluffs men wished to signify their appreciation of the governor's act in promoting Colonel Tinley to the rank of general and that they wished to visit the three units of Bluffs men who are a part of the camp.

Company L, headquarters company and band and the service company are all from Council Bluffs. They are commanded by Capt. Folsom Everest, Capt. Harry Crowl and Capt. Sam Greene, respectively. Captain Everest also is a member of the governor's staff.

Another Bluffs man who holds a high rank in the National guard is Maj. Percy Lanson, former Company M commander, now at the head of a battalion.

Troops Reviewed.
The governor and general reviewed the troops at 2 o'clock. There were 4,000 men spread out in formation over the parade ground, including three regiments of infantry, four troops of cavalry, half a dozen batteries of artillery and three military bands.

Veterans of the three units were represented on the two staffs which reviewed the troops. Many of the guard members are seasoned veterans of the Spanish-American and world wars, while others are receiving their first taste of military training.

Inspection of the troops completed, Col. Lloyd D. Ross of Shenandoah, commander of the 133d infantry regiment, was called to the side of General Tinley. Governor Kendall rode his horse between them and decorated each with an engraved gold medal indicating 25 years of meritorious service with the National guard organization.

At supper time the Bluffs delegation was divided into three sections of eight or nine men each. Members of each section were guests of one of the three Bluffs units, Company L, Headquarters company and Service company at mess. The men expressed genuine appreciation for the visit of representative business men from their home town. The delegation returned this evening to Council Bluffs.

The following men were included in the part which came from the Bluffs for the review: Charles A. Beno, Theodore N. Peterson, Robert B. Wallace, E. H. Doollittle, George F. Hughes, F. F. Everest, A. L. English, Capt. Roy N. Hagerly, Robert O'Brien, Julius Rosenfield, Theodore Laskowski, H. G. McGee, George S. Wright, James G. Bradley, Charles G. Saunders, John P. Tinley, George F. Hamilton, Henry Peterson, Emmett Tinley, Dr. L. Henninger, Carl Pryor, John B. Long, sr., John B. Long, jr., M. A. Metzger and Ned E. Williams.

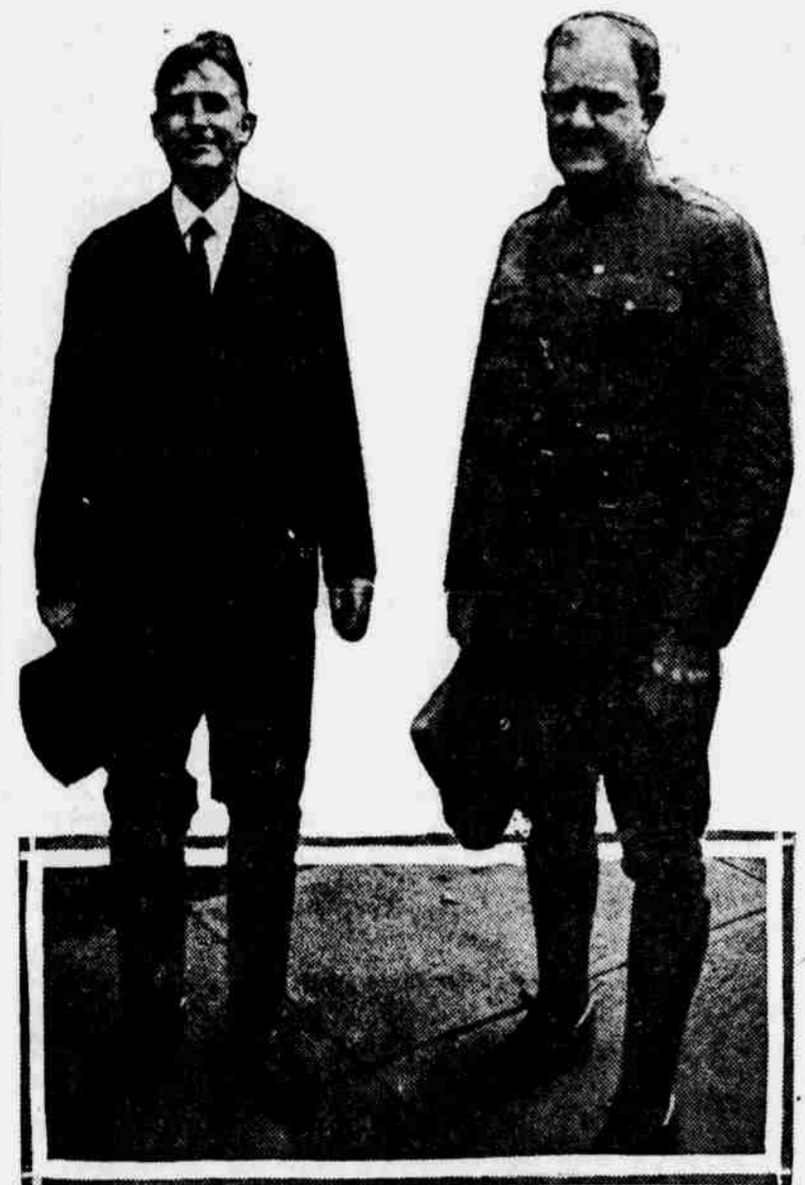

Bluffs Sheriff Thwarts Plot at General Jail Delivery
Plans for a general jail delivery in the Pottawattamie county jail in Council Bluffs were thwarted Tuesday night when Sheriff Groneweg and Deputy Sheriff Gillaspay drew their revolvers and covered four prisoners who had saved in two several iron bars and broken three locks.

Jail officials assert the prisoners planned an assault on the jailor and his family, after which a general delivery would have been attempted. Sheriff Groneweg and his deputy discovered the plotters at work, and watched them sawing an iron bar for several minutes before interfering.

\$3,000,000 Firm Had \$155 Cash, Receiver Reports

Schedules of Debts and Assets Of Guarantee Securities Company Filed in Federal Court.

A \$3,000,000 corporation with only \$155.70 cash on hand was exposed when schedules of the debts and assets of the defunct Guarantee Securities company were filed in federal court yesterday by Frank E. Sheehan, receiver. Deposits in the bank total only \$2,468.

Though the assets listed show \$2,962,496.78 as against \$1,606,525.60 in debts, the assets dwindle pitifully when the sum of \$2,197,733.66—listed as stocks and negotiable bonds in the assets—is subtracted from the total.

Included in this worthless or questionable stock is at least \$1,100,000 of Colonial Timber and Coal company stock, according to Sheehan.

The best unquestioned assets are the real estate listed: The Securities building at Sixteenth and Farnam, listed at \$500,000; a leasehold on property at Thirteenth and O for \$50,000, and some South Dakota land, \$6,500, totaling \$556,500.

Federal Judge Woodruff is holding court in Des Moines, so the order for a meeting of the creditors will await his return. Ten days must be allowed for the call, which brings the date of meeting the first week in September.

Complete totals compiled by Sheehan, with the assistance of A. F. Mulfinger, attorney for creditors, follow:

Yeast Vitamon Greatest Secret of Complexion Beauty

Clear Skin, Firm Flesh and Strong Nerves.

Of what use are fine features, with only a flabby, fleshy, sunken cheeks, a scrawny neck or a careworn face?
If you want to quickly clear your skin and complexion, put some firm, healthy flesh on your bones, increase your nerve force and power and look and feel 100 percent better, simply try taking two tiny yeast Vitamon tablets with each meal and watch the results. VITAMON contains highly concentrated yeast-vitamins as well as the two other still more important vitamins (Fat Soluble A and Water Soluble C) and is now being used by thousands. It positively will not upset the stomach or cause gas, but on the contrary is a great aid to digestion, to overcome constipation and as a general conditioner of the whole system. Pimples, boils and skin eruptions seem to vanish like magic under its purifying influence. The complexion becomes fresh and beautiful, the cheeks rosy instead of pale, the lips red instead of colorless, the eyes bright instead of dull. VITAMON is positively guaranteed to give you new health, beauty and a more well-rounded face and figure whether you are young or old or the trial costs you nothing. Make the test yourself and see. Be sure to remember the name VITAMON—the original and genuine yeast-vitamine tablets—there is nothing else like it. Get it at any good drugist.

Diggs Nolen Bids Memphis Farewell

Notorious Character, Once Convicted in Omaha, Given 20 Days to Leave City.

Memphis, Tenn., Aug. 17.—(Special Telegram.)—H. Diggs Nolen, notorious police character, dugger and underworld star, Tuesday signed his own warrant of exit and leaves Memphis and Tennessee forever. He was allotted by the sheriff 20 days within which to wind up his business affairs, sell out his drug store and shake the dust of Memphis from his feet. Nolen announced that he would go to Rochester, Minn., for a surgical operation and later buy a farm in Nebraska.

It was at Omaha Nolen first met his Waterloo when he was sentenced to the federal penitentiary for fraudulent use of the mails. He escaped but was recaptured and sent to Leavenworth prison from Atlanta. One man was killed here in an effort to rescue Nolen as he passed through to Kansas.

He was arrested here in connection with the sale of \$250,000 worth of Liberty bonds, stolen from messengers of a brokerage concern in New York City. This case was not pressed and he was freed. Nolen was arrested a dozen times in a week here, charged with various crimes from drunkenness and pistol-carrying to the sale of narcotics.

In a crime crusade here Sheriff O. H. Perry declared he would drive Nolen from the community and would arrest him as fast as the courts could free him. His drug store was raided Saturday and he was arrested on a charge of threatened breach of the peace and held without bond. He applied for a writ of habeas corpus, but when told he would be rearrested as fast as he gained his liberty Nolen signed an agreement to quit business and leave the city forever. His brother, Ernest Nolen, signed a similar document.
