### Faithful Shepherd Saves Life of Man Who Fell in 18-Foot Well

Creston, Ia., Sept. 6.—(Special.)—J. P. Swanson, who lives south of this city, no doubt owes his life to his faithful shepherd dog. An old well on the farm has not been used for several years and the platform was covered with dirt. The boards of the platform gave way when Mr. Swanson stepped on them while about his duties on the farm. He fell 18 feet into about five feet of water. His dog, which is his almost constant companion about the farm, witnessed the accident and upon seeing his master disappear in this hole refused to leave the spot and put up such a howl of distress that it attracted the attention of Mrs. Swanson. She obtained help to rescue her husband. He is expected to recover from his experience within a few days. Meanwhile Shep is the hero of the countryside.

### Negro With Gun Causes No End of Excitement at Circus

### Suspect in Mail Holdup in Kansas Released on Bond

W. J. Welch, Arrested Following Auto Smash in Front of Policeman's Home, Gains Temporary Freedom.

W. J. Welch, wanted in Kansas for the robbery of the postoffice at Hamlin, the robbery of a mail pouch and the burglarizing of a garage was released from custody yesterday under \$3,000 bonds, furnished by Sioux City friends, following hearing before United States Commissioner Boehler. An order for his removal to Kansas for trial awaits the signature of Judge Woodrough, who is expected to return to Omaha Thursday.

Welch was arrested last Thursday by Policeman T. B. Crawford of the South Side, who will receive a \$300 reward for the capture. Crawford arrested Welch after his car collided with another in front of Crawford's home. Guns, stamps and tires, which are believed to have been stolen, were found in the rear of Welch's car.

Crawford hopes for the \$5,000 reward offered by Postmaster Hays for the capture of anyone robbing the mails are dissipated by the specification that the reward be paid only to those who have had their lives endangered in a struggle or by having a gun pointed at them in the capture.

### WHY YOU NEED IRON

Tomake you strong and "brainy" and put the power into your blood to overcome disease germs

Practical Advice on How to Develop Great Energy and Endurance

The food you eat contains carbon. When your food is digested it is absorbed from the intestines into the blood. When the carbon in your food comes in contact with the oxygen carried by the iron in your blood the carbon and oxygen unite and so doing they give off tremendous energy, thereby giving you great force, strength and endurance. Without iron your blood carries no oxygen and without oxygen there is nothing to unite with the carbon in your food, so that what you eat does you no good—you do not get any strength from it. It is the putting coal into a stove without a fire. You cannot get any heat unless the coal unites with the fire. The strongest weapon with which to prevent and overcome colds, pneumonia, kidney trouble, rheumatism, nervous prostration—in fact, almost any disease or disease germs—is plenty of good rich, pure blood, strength, energy and endurance and the greatest energy carrier in the body is organic iron, not metallic iron, which people usually take, but organic iron like the iron in spinach, lentils and apples and like the iron contained in what is known as organic Nuxated Iron, which may be had from almost any druggist. If you have been taking metallic iron without benefit such is no proof that organic Nuxated Iron will not help you. Nuxated Iron often increases the strength, energy and endurance of weak, nervous, run-down folks in two weeks' time. It is such an extremely valuable product that even the Pope at Rome wrote especially of its merits in a communication to the Pharmacopoeia Normale. It has been used and highly recommended by former United States Senators, Members of Congress, Judges of U. S. Courts, many physicians and prominent men. Over 4,000,000 people are now using it annually. Satisfactory results are guaranteed or the manufacturers will refund you money. Sold by all druggists in tablet form only.
