

Pardon of Matters Scored by Nebraska Bankers' Association

Urging "speedy prosecution" of T. H. Matters, banker, on the remaining indictments against him in connection with the wrecking of the First National bank of Sutton, Neb., and protesting against his pardon from the federal prison at Leavenworth after serving 44 days, the Nebraska Bankers' association, passed a resolution yesterday asking that the names of the men who interceded

for him with President Harding be made public. Copies of the resolution were sent to James C. Kinsler, United States district attorney, and to the Nebraska delegation. The resolution calls Matters' pardon an "injustice to the banking fraternity."

Genoa, Neb., Sept. 9.—(Special.)—At a meeting of patrons of the Monroe Independent Telephone company here resolutions were passed and forwarded to the State Railway commission protesting against a rate increase granted the company.
