Wichita Wins Another From Buffaloes, 5 to 1

Omaha's Pennant Hopes Take Big Tumble When Izzies Make It Two Straight.

Wichita, Kan., Sept. 18.—(Special Telegram.) — Omaha's pennant hopes dwindled to nothing here today when the Wichita Izzies copped the second straight victory of the series in a fast and well-played game, 5 to 1. Omaha could do little with Gross, while Wichita nicked Glaiser at opportune times.

While the two Omaha errors were costly and the Wichita fielding errorless and indeed very brilliant during the whole game, the Izzies scored enough on clean hits to make the game sure, with Gross going the way he was. Four of the Omaha hits were pop hits over the infield, which the Wichita fielders could not quite reach. No two of them came in the same inning and except for the fourth, when Griffin's homer was poled, Omaha never had a real chance to score. Some spectacular fielding in the fourth by Smith and Berger cut off runs for Omaha and took the heart out of the Buffaloes.

The Izzies got a run in the first on one scratch hit. Smith beat out a bunt and went to second when Washburn walked. He got to third on a bunt and scored on an infield out.

In the third Smith again started in, this time by walking. Washburn hit to right and Smith scored when Griffin let the ball get through to the fence. Washburn ambled to third on the play and counted on a single by Berger. In the seventh the same Smith again started the rumpus. This time he laid down a roller which Gislason had to hurry so on that he made a slight bobble and Smith reached first. Washburn sacrificed and Smith scored on Berger's double. The Wichita boss came in an East's single over second.

Omaha had its lone chance in the fourth. Lelivelt led off and hit a scorcher to center. Smith raced back and got the ball by a leaping one-handed catch, which cut off a double. Griffin followed with a homer over left. Then Berger completed the inning by robbing Spranger of a hit by a great sprint back of second and an equally great throw.

Manager Barney Burch, who hit "Ump" Anderson Saturday did not show up and will probably draw a suspension for the rest of the season. His case was dismissed in Wichita police court Saturday night, as no one was on hand to swear out a warrant.

Three Coaches Train Gridsters

Creighton Aspirants Put Through Strides in Workout.

Creighton university's foot ball practice was carried out Saturday under the direction of three coaches, Head Coach "Mac" Baldrige, all-American tackle of Yale; Chic Neville, all-American quarter of Yale and Doughtery, also of Yale.

"Mac" had the linemen under his wing. Quarters and backs are under the instruction of "Chic" and Doughtery. Fundamentals of machine backfield work were emphasized throughout the drill. Speed development, holding and passing of the ball, and various elementary and simple shifts were diligently practiced.

Many additions have been made to the squad which bids fair to reach the hundred mark before the weeding out process begins. Among them are: Christie of Austin, Minn.; Coakley of St. Benedicks; Byrne of St. Mathias; Burke of Atlantic; Wagner of St. Ambrose; Hudson of St. Marys, and Wicham of Columbus, S. D.

Creighton High Has Seven Grid Veterans Back

Creighton High school eleven has seven of last year's men back this year. They are Daley, Pendergast, Doarn, Britt, McArdle, Dozier, Sofio, Carnazzo and Davis. These, together with the large aggregation of new material, give promise of keeping Creighton to the front.

The Creighton High grid schedule, which is not yet complete, follows:

September 30—Glenwood.
October 7—Commerce.
October 14—West Point.
October 21—North Platte.
October 28—University Place (tentative.)
November 4—Falls City.
November 11—Open.
November 18—Open.
November 24—Logan.

Omaha May Be Represented in National Colored Base Ball League Next Year—Organize Team

Omaha will be represented by two organized base ball teams next season if the plans of Secretary "Mike" Finn of the Omaha Western league club materializes.

It is the plan of Finn to organize a colored team in this city. Should one be formed—and all present indications are that it will—Omaha will become a member of the National Colored Base Ball league, which is composed of Chicago, Detroit, Kansas City, St. Louis and at the present time Cincinnati. However, the latter city is going to drop out of the league, thereby allowing Omaha the vacant franchise.

The colored teams will play in Omaha only during the absence of the Omaha Buffaloes, according to Secretary "Mike."

Pitcher Donaldson of the Kansas City Monarchs, considered one of the best colored base ball players in the country, has been secured to manage the Omaha colored team. Donaldson will take up his new duties next season.

Leslie Wilkinson, manager of the Kansas City Monarchs and formerly connected with the All-Nations base ball club, is instrumental in assisting Omaha to get a franchise in the league.
