Government of Omaha for 1920 Cost \$14,303,114

Per Capita Cost Is \$73.95, as Against \$33.59 in 1917, And \$25.43 in 1914; Indebtedness Increasing.

Department of Commerce announces that the cost of government for the city of Omaha for the fiscal year ending December 31, 1920, amounted to \$14,303,114, which was a per capita cost of \$73.95. In 1917 the per capita cost was \$33.59 and in 1914, \$25.43, the totals for these of the season.

Trip. He then took them to his home where the men, under the persuance of the gun, staged a melon-eating contest. At its conclusion they agreed that they had their fill of the fruit for the season.

Omaha Shriners Hold years being \$6,130,091 and \$4,212,-

The per capita costs for 1920 consisted of expenses of general depart-ments, \$23.86, expenses of public service enterprises, \$8.16; payments for interests, \$6.12; and for outlays, \$35.80. The total revenue receipts in 1920 were \$8,744,170, or \$45.21 per capita for the fiscal year. The per capita excess of government costs over revenue receipts was therefore \$28.74.

respectively.

Earnings of public service enterprises operated by the city represented 26.5 per cent of the total revenue for 1920, 16.4 per cent for 1914, and 18 per cent for 1914, business and non-business licenses.

Moines, Omaha and Pittsburg Shriners. One Shriner said: "We're just getting in trim for the big parade."

Five bands and six patrols were on hand for the afternoon parade. which include receipts from liquor licenses, show a marked reduction in relative importance, being 1.3 per cent of the total revenue for 1920 as compared with 2.6 per cent

Three Injured in Car Crash Near Sidney, Ia.

Glenwood, Ia., Sept. 28.—(Special.)—A. B. Walling, Glenwood merchant, and his wife and son, Alfred, were injured when the automobile driven by Mr. Walling collided with another machine at a crossroad four miles south of Sidney, Ia. The Walling car went headon into the ditch, the occupants being hurlthe ditch, the occupants being hurl-ed from the machine.

Tanlac Accomplishes Remarkable Results In Geo. H. Nickels Case

Prominent Wisconsin Man Says Tanlac Promptly Relieved Him of Bad Case of Stomach Trouble of Six Months' Standing -Gains 27 Pounds and Feels Fine as a Fiddle.

It is an unquestionable fact that Tanlac is now being more widely endorsed by well known men and women than any other medicine on the American market. One of the latest to testify is George H Nickels, well known lecturer, residing at 227 Wells St., Milwaukee, Wisconsin. "Tanlac has not only completely restored my health, but I have actually gained 27 pounds in weight," said Mr. Nichols in referring to the remarkable benefits he had derived from the medicine

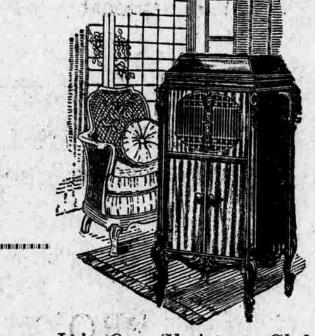

from the medicine.

"For something over six months, my stomach was very badly disordered. I suffered terribly from Indigestion and Dyspepsia. At times I would be in great distress and I would invariably experience an uncomfortable bloated feeling for hours after eating. I had no appetite scarcely and the little I ate would often make me deathly sick. My head ached until I felt like it Girl Lured From Home | would burst and I was so nervous I trembled like a leaf. The Last Week of Our September Bedding Sale

Anent the Sale of Philippine Hand Embroidered Nightgowns to take place Thursday at our store-

> Miss Coleman Says: "Like a thunder clap out of a clear sky came this offer of what seemed to me a big lot of Philippine Gowns. After having searched diligently, but in vain, for embroidered numbers to sell for less than \$3.50 to \$4.00, I was greatly surprised at this offer. I was told that the sale was because of financial pressure and believe it must be because other importers tell me that many of their gowns are costing even more to produce."

N OT only the fine count of the nainsook and the character of the hand embroidery work, which is eyelet, floral and conventional designs, but the extensive variety of patterns enters into the value of these garments. They come in round, V and square necks. Some have kimono sleeves daintily stitched, others are sleeveless. The entire purchase consists of two groups. The price is based upon the character and quantity of hand work-
