

Carmen Balloting Over Whether to Take Strike Vote

Interest Lags During Morning—Actual Decision on Wage Cut Action Depends On Result.

Voting by union street carmen yesterday on the issue of whether or not to take a strike vote in resistance of a 12 per cent wage decrease, effective yesterday, seemed a bit desultory.

The carmen straggled into the Labor temple in groups of two and three. A continuous meeting, with union officers on the platform, was held from 9:30 until noon.

Announce Result Tonight. A. H. Burt of Denver, member of the international executive board of the street car union, said the vote on whether or not a strike vote should be taken would be counted last night and the result announced.

State Manufacturers Urge Speedy Passage Of Tax Legislation

Chicago, Oct. 1.—Speedy enactment of some form of taxation by congress was requested in the resolutions of the final session of the conference of State Manufacturers associations today.

The resolutions asked that the taxation be "sufficient to provide the necessary revenue to government economically administered."

The conference also urged a "decided reduction in freight rates as a necessary step toward a revival of business," and declared that to do so "it is necessary that the railroads be relieved of paying a higher wage rate than prevails generally in the communities through which they pass and are paid by similar corporations doing similar work."

Bandits Rob Cashier Of Fashionable Club

Chicago, Oct. 1.—While a policeman stood less than 50 feet away, two armed bandits raided the Illinois Athletic club at 4:30 this morning, robbed the cashier of \$337 and walked out while 200 members of the club and their guests were asleep.

Policeman Martin Collins was engaged in conversation with a chauffeur when he was startled by the screams of a chambermaid who was leaning out of a second-story window. The policeman saw a cab dash away from the club, but could not overtake it.

Both bandits were fashionably dressed and the policeman mistook them for belated members of the club, as both spoke pleasantly. The officials of the club, of which Mayor Thompson is a member, believe the robbers were former employees.

Zimman's Shirt Sleeves Fail to Hide Lack of Heat

City Commissioner Harry B. Zimman sought to dispel the chilly interior of the city hall yesterday by breezing around in his shirt sleeves, conveying the idea that the temperature was too warm for a coat in comfort.

The steam has not been turned on, wherefore most of the women workers in the building were wearing their furs.

Sadi Le Cointe, Aviator, Slightly Hurt in Crash

Etampes, France, Oct. 1.—(By The Associated Press.)—Sadi Le Cointe, the noted French aviator holder of the world's speed record, was injured and his airplane was smashed when he made a forced landing in the first lap of the Deutsche De La Meurthe cup race here today.

September Bank Clearings \$12,000,000 Above August

Omaha bank clearings for the month of September show an increase of nearly \$12,000,000 over the clearings for August, although considerably under the clearings for the same month last year.

This week's clearings were \$35,103,272.80; for last week, \$38,371,288.25; and for a year ago, \$53,557,524.60.

A beaver coat has a border and cuffs of platinum goat. The sleeves and body of the coat are made in one and the bottom border fits close around the hips.

You Can Roll 'Em If You Choose, Says Board

"Roll 'em if you want to, girls," was the word from the welfare board yesterday.

Redick Upholds Day on Defective Appeal Bonds

District Judge Redick yesterday upheld District Judge L. B. Day's decision of several days ago, declaring defective the appeal bonds of 68 defendants given in police court.

Rules That One of 68 Ordered To Pay Fines or Go to Jail By Judge Day Must Do So.

Charles Saap, one of the 68, who has been convicted before on liquor charges, fought the decision of Judge Day because under it his place at 1314 Pierce street would probably be closed up for one year, injunction proceedings having already been started by County Attorney Shotwell.

Under the decisions of both these district judges, Saap and the other 67 stand convicted in police court without power to make new appeals and must either pay their fines, serve their sentences or appeal to the supreme court.

Police and C. of C. Fail To Agree on Accidents

September did not mark a new record for automobile accidents as reported Friday. In the figures published Friday July was given

as the previous record-breaking month with 34 motor accidents. A re-check of July showed, however, that 84 automobile accidents occurred that month while the record for September was 64.

Figures given out yesterday by the traffic safety committee show only 55 accidents for September but an investigation at police headquarters revealed 64 reports of motor accidents, or nine more than the traffic safety committee figures.

The traffic committee figures on deaths and injuries also fail to coincide with police figures. The traffic committee gives the number of injured at 37 while police reports show six severely injured and 34 slightly injured. Police records also

show two deaths, while the traffic committee reports but one.

Theater Robbery Suspect Enters Not Guilty Plea. Joe Shotwell, charged with being one of the three men who broke into the Strand theater safe and stole \$1,079 the night of September 6, was

arraigned before District Judge Fitzgerald yesterday and entered a plea of not guilty.
