#### Letter Ordered Sent President Harding Urging That Women Be Named for Active Part.

The Omaha Woman's club held its first meeting of the season Monday in the new auditorium of the Burgess-Nash store. Mrs. Charles Johannes, the new president presided. Over 200 members attended.

At the suggestion of Miss Lurie Stearns of Milwaukee, widely known club woman, who spoke on "The World's Greatest Need and Social Power," the club instructed the secretary to write to President Harding requesting first, that two women be appointed on the disarmament delegation, and secondly, that the disarmament conference be open to the public.

**Opposed to "Side Line."**  
"Women should be appointed on the conference board and not on the advisory board or side line," said Miss Stearns. "Now that we are all voting citizens we should do our share in making democracy mean brotherhood in government and politics, the translation of which principles into life," she concluded.

Mrs. Cyrus P. Mason gave a talk on "Club Publicity," and Stephen Day spoke on the International Aero congress to be held in Omaha, November 3, 4 and 5.
