The Blackburn Course of Dressmaking Next Week!

Mrs. Blackburn, the noted lecturer and teacher, recently returned from Paris, has given courses in most of the larger cities of both the United States and Canada. She will personally conduct this course, and has made it one of such unusual value, and so completely practical, that it has brought forth the praise and gratitude of hundreds of women throughout the country.

We feel that it offers an unusual opportunity to the women of Omaha and vicinity. The course opens Wednesday, October 26. There will be four classes, and each class will receive twelve lessons, covering four weeks in time. The fee for the entire course is only \$5. Even if you have never made a garment, you can begin it, finish it, and have it perfect, at the end of the course.

Enroll NOW for the classes which you prefer, as each class is limited to a certain number.
