The "Coenhusk-er special," consisting of two cars for the Nebraska team, was side-, tracked. The students gave the university yells and the band played for over a period of 25 minutes.

Captain Swanson was called for

and appeared at a car window. His speech was short. "This is the greatest sendoli a Nebraska team ever had," he declared, "and it certainly demonstrates the spirit of the university. We'll show the same fight at Notre Dame."

The car windows were lined with signs such as: "The Huskers will settle the Irish question," "We'll dig the Irish spuds," "Prepare to Die, Notre Dame, the Huskers come," and dozens of like nature. A small delegation of students accompanied

the team on the trip.
The students will meet the Huskers on their return from Dame, whether winners or losers, and give them a royal welcome. The Huskers will probably return Sunday evening.

Chicago, Oct. 20.—Hopeful rather than confident, the University of Chicago foot ball team departed today to meet Princeton on Saturday with a squad of 36 players and coaches, headed by Coach Stagg and Captain McGuire. Trinity's Colors Fly in Game With Maroons

Sioux City College Team Trounces University of Omaha in Hard-Fought Game, 10 to 0.

By RALPH WAGNER.

Trinity college gridsters of Sioux City ran rough shod over the University of Omaha warriors at the Western league base ball park yes-terday before a small crowd of fans. The score was 10 to 0 in favor of the Iowans.

In the second quarter after an exchange of punts, Trinity advanced to Omaha's 20-yard line, where Jones brought his educated toe into play and kicked a dandy goal from placement, thus bringing his team's score to the 10 mark, where it remained for the rest of the game.
