ONE of the most ardent supporters of the Aero congress is Mrs. E. H. Ward of Omaha, who has herself done a good deal of flying as a passenger, here and in California, where she spends part of each year.

The wedding of Miss Josephine Nystrom, daughter of Dr. and Mrs. J. O. Nystrom and the Rev. Hegelmer Sundberg of Gothenburg, took place Wednesday evening, at the home of the bride's parents.

An out-of-town wedding of local interest took place Wednesday evening at Bryn Mawr, Pa., when Miss Mary Esterbrook Longmaid and Casper Offut of Omaha were married.

Miss Winnifred Etta Fletcher and George Munchoff were married Monday afternoon at St. Mary Magdalene church, Rev. Father Sinne officiating.

Mrs. White Squier and her daughter, Miss Kathryn Squier, formerly of Omaha, are spending a few days here and in Council Bluffs this week.

Mrs. H. B. Bergquist was hostess at a tea, Wednesday afternoon, for Mrs. Doane Powell, who leaves Sunday with her daughters, Jane and Jocelyn, for Chicago.

Educational Club Holds Annual Dinner

The Nebraska Woman's Educational club will hold its annual dinner at the Brandeis restaurant Thursday evening, November 10 at 6 o'clock.

The Nebraska Woman's Educational club is state-wide in its membership of women in the educational field.

In response to your request for information regarding the professional interests and advancement of these interests by the Nebraska Woman's Educational club, I submit the following:

Our legislative committee has kept track of the progress of the bill for teachers' retirement fund. Because of financial stress throughout the state it was thought an inauspicious time for us to promote a state bill of this nature.

Women Approve Appointment

Mrs. Thomas G. Winter

Club women in Omaha are rejoicing over the appointment of Mrs. Thomas G. Winter, president of the General Federation of Women's Clubs to the American advisory committee of the armament conference.

Mrs. Rose V. S. Berry, general federation art chairman, who is a guest of Mrs. Charles E. Johannes in the city, said:

"Mrs. Winter is a thorough student of international affairs. She has given some of the best speeches made on disarmament and has written a book on the subject."

Mrs. Johannes, Omaha Woman's club president, considers President Harding's choice of Mrs. Winter a wise one.

"She is a wonderful woman," said Mrs. C. L. Hempel, a past president of the Woman's club. "She will compare favorably with any of the men in knowledge and ability."

The League of Women Voters in Omaha is equally well pleased with the appointment.

"She understands legislative matters as well as any woman in the country," is the opinion of Mrs. Charles J. Hubbard, local head of the league.

The League of Women Voters and the Federation of Clubs have come to work in harmony because of the intelligent leadership in both organizations," Mrs. Hubbard declared.

ADVERTISMENT. A Stubborn Cough Loosens Right Up. This home-made remedy is a wonder for quick results. Easily and cheaply made.

Here is a home-made syrup which millions of people have found to be the most dependable means of breaking up stubborn coughs. It is cheap and simple, but very prompt in action.

Worry Over Impossible

By BEATRICE FAIRFAX. "As you start off on the journey of life, you needn't pack up any troubles to take along—you'll find plenty on the way," said a cynical person.

He put an important truth. But he put the accent in the wrong place—which is a way cynics have.

We do find worry. We seem to spend a lot of time looking for it. We actually worry when it doesn't come, complaining that things are going so well that there's bound to be a turn for the worse before long.

We seem to have faith in the cruelty of nature, the difficulty of making good, the danger of feeling secure and in every destructive theory and force we can pick up along the way.

Haven't you risen some morning with a song on your lips, a spring to your steps and a feeling of general gladness in merely being alive on such a day of clear blue autumn skies and winey autumn air?

Then haven't you pulled your mouth corners down with a sudden admonition: "This can't last. This is too good to be true. It will cloud up before night."

Most of us go around looking for life to cloud up before evening. And sometimes it does. But that's no reason why we shouldn't have enjoyed the sunny hours that came first.

The happy disposition is like the sun dial which marks only the sunny hours. Suppose it rains. Your glad heart smiles and decides it's a good time to stay in the office and get out of a bunch of correspondence—or to stay in the house and darn a bunch of stockings—or to do some inside job which the lure of sunshine would have made drudgery.

Worry over the impossibility of living through a succession of cloudless days or about the short lease we are likely to have on happiness is a destructive force.

But there's another kind of worry, which is vision—not brooding. And that's the restlessness, the ambition, which might settle down to study the problem of defeating clouds and making sunshine—or golden electric bulbs to defeat darkness.

What has made civilization is the need man discovered of finding ways to overcome his handicaps in a world of gigantic forces. Funny thing that he is physically, he made up for his physical shortcomings by using his mind. He didn't sit around and worry over the fact that he is not likely to grow to a stature of more than six feet and has neither claws nor fangs.

He sat down and worked out the problem of weapons with which to meet the tiger and the eagle and the lightning and the rain. It might be fun to bask in the sun like a lizard without problems or fears. But that fun wouldn't last long, for the mind of man is bound to become restless. It is trained to become restless. For 500,000 years of meet problems.

For Mrs. Blanchard entertained six friends at luncheon Tuesday in honor of Mrs. Frank Clifford of Portland, who is the guest of her sister, Mrs. E. W. Kolterman.

Lieutenant and Mrs. R. S. McCullough are guests at the home of Col. and Mrs. T. W. McCullough, driving up from Fort Sill, where Lieutenant McCullough is in command of the Twenty-third Balloon company at Post field.

Invitations Out for the Ball. The invitations have been issued to the Aviation ball next Saturday night. Those invited are the members of the Omaha club, the Country club, the University club, and those on the guest list of the Princeton Triangle ball last winter.

Dress Dolls for Bazar. Mrs. James Reed's Supply circle will have a doll-dressing contest on Thursday at the home of Mrs. Thomas Larkin. The dolls are for the Sister of Mercy Alumnae bazar.

Sew for Bazar.

Mrs. Frank C. Carey entertained Wednesday afternoon at a fancy article sewing circle for the Sisters of Mercy Alumnae bazar to be held at the Midway dancing academy for three days, beginning November 10.

Worry is lazy, silly, destructive and a miserable thing withal. But meeting problems intelligently and with a glow of joy in the fact that there's something to keep the business of living from the monotony of a glass hot house frame is the antidote for worry.

Keep busy. And worry won't have much chance to enter into your scheme of things. It has one invincible foe—and that's work.

Yeast Vitamine Greatest of All Beauty Secrets

Banishes Skin Eruptions. Puts On Firm Flesh, Strengthens The Nerves and Increases Energy.

Concentrated Tablets Easy and Economical to Take. Results Quick.

If you want to quickly clear your skin and complexion, you must first, healthy flesh on your bones, increase your nerve force and power, and look and feel 100 per cent better, simply try taking two of Mastin's tiny yeast VITAMON Tablets with each meal and watch results.

Mastin's VITAMON contains highly concentrated yeast vitamins, as well as the other two still more important vitamins (Fat Soluble A and Water Soluble B), now being used by thousands. It is positively not used to the stomach or cause gas, but, on the contrary, the constipation becomes fresh and beautiful, the cheeks rosy instead of pale, the lips red instead of colorless, the eyes bright instead of dull. So rapid and amazing are the results that "faded" women are guaranteed or the trial costs you nothing. Be sure to remember the name—Mastin's VITAMON—the original and genuine yeast-vitamine tablet—there is nothing else like it, so do not accept imitations or substitutes.

ADVERTISMENT. BETTER THAN CALOMEL. Thousands Have Discovered Dr. Edwards' Olive Tablets are a Harmless Substitute

Dr. Edwards' Olive Tablets—the substitute for calomel—are a mild but sure laxative, and their effect on the liver is almost instantaneous. These little olive-colored tablets are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel.

The pleasant little tablets do the good calomel does, but have no bad after effects. They do not injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Cal
