

Masse and Wohlberg Finally Give Bonds

Jacob Masse and Charles S. Wohlberg are again at liberty after having spent two days and nights in the county jail. C. A. Homan of Cal-

houn and John Swanson of Omaha yesterday signed the \$10,000 bond of Masse. Max Orkin of Omaha signed the \$10,000 bond for Wohlberg. R. F. Johnson, former treasurer of the company, surrendered Thursday and was released on a bond of \$9,000. Ray V. McGrew, also indicted, has sent word to authorities here that

he will arrive in Omaha within 10 days to face the charges. He is in Los Angeles. Father Offers Reward for Any Trace of His Missing Son Mrs. C. V. Carbaugh, 3326 Ohio street, is distracted over the disappearance of her son, Newton, 15, who has been missing since August 27.

A reward of \$25 has been offered by the boy's father for any trace of his son. There had been no trouble at home, according to the father. "Newton had always seemed to be satisfied and was always a good boy," he said. The mother is grieving and is on the verge of a nervous breakdown over her son's absence.

Mrs. C. C. Mudge Given \$400 Monthly Alimony

Mrs. Edit Mudge was awarded \$400 a month alimony and possession of the furniture which her husband, Clifford C. Mudge, left at the St. Regis apartments when he was dis-

covered living there with another woman by his wife. The decree of separate maintenance was handed down in Judge Scar's court Thursday. Mudge recently appeared in federal court here to pay a fine for violation of the Mann act in bringing Frances Reene of McPherson, Kan., to Omaha for immoral purposes.

Public Library to Open New Ames Avenue Branch

A branch of the public library will be established at Twenty-fifth street and Ames avenue, equipped with a large supply of books, magazines and newspapers and open the same hours as the Central library. This was decided unanimously at

a meeting of the library board Thursday when the report of a committee, made up of Rev. O. D. Baltzly, chairman, and J. H. Mithen and Mrs. Frank Shotwell, was adopted unanimously. Mines in the United States produced 67,044,463 gross tons of iron ore last year, an 11 per cent increase from the previous year.

ONE-MINUTE STORE TALK

Our Mr. John A. Swanson, who has just returned from the eastern markets, says:

"The prestige of this store in the markets of the world has enabled us to secure for the 36th anniversary the finest styles that the foremost clothes makers produced this Fall. Coming into the market at this particular time we secured values that enable us to price our vast stocks at lower levels than any other city in America can boast of. Our many patrons may now enjoy the double advantage of new styles and new prices that will be genuine anniversary surprise values."

NEBRASKA WAR CERTIFICATES

will be delivered on our main floor to all Douglas county soldiers whose names begin with the letter P.

The 36th Mile Stone of This Greater Store

The 36th anniversary of the founding of this store and the 9th anniversary of the new regime is being celebrated by the giving of remarkable values and a gift of gold pieces to our patrons.

Many people in the Middle West recall the opening of this store and the many innovations introduced by the founders, innovations that are the standard of the legitimate merchants of today—in a word, "A square deal to all," was developed into more than a theory by this store.

Before the founding of this store there was no confidence in western clothes selling methods, with the result that Nebraska's stand of "one price to all and that price the lowest," was welcomed with open hearts by all of the people and instantly established this store's leadership, which it has maintained with growing prestige year after year.
